FAQs

Q: Do I have to choose the new top prize?

A: No, this is a choice you make when selecting the new games for the quarter. All games will be defaulted to their normal top prizes.

Q: What denominations allow for new top prizes?

A: Only the \$1.00, \$1.50 and \$2.00 denominations for the games mentioned above.

Q: What happens when the new top prize is awarded in-game?

A: After the turn ends, a ticket will print with the awarded amount and can be cashed out only at the POS. *The kiosk will not accept these top prize amounts.*

Q: Is there a tax form required when winning these new top prizes?

A: The new top prizes require the W-2G tax form to be filled out. For more information, please visit: <https://www.irs.gov/pub/irs-prior/iw2g--2021.pdf>

Q: Does selecting the new top prize affect the payout percentage?

A: No, the payout percentage remains at 90% even if selecting a new top prize.

Q: Does the \$600 top prize require a tax form?

A: No, the \$600 top prize does NOT require a tax form due to the requirement of the tax form being reduced by the player's bet. (EX. \$1 play level, with \$600 top prize reduces the threshold to be under \$600 by minusing the \$1 bet)
