GAME SELECTION PORTAL GUIDE

1. Introduction

The Game Selection Portal is a website available for charities to select their game choices for the upcoming quarter.

- Game selection is available on the reporting site: <u>https://nd.pulltabreports.com/</u>
- A maximum of 12 games can be selected for the next quarter before closing the current quarter.
- Changes can be made on the game selection site until a location closes the current quarter.

2. Navigating to the Game Selection Portal

1. Login to the reporting site and click **Game Selection.**

- 3. Under Game Selection click View Games.
- 4. The next page will present a list of games available for selection as well as their denominations and top prize selection (*if applicable*).

3. Selecting Games

1. Begin by selecting the checkbox to the left of the game logo you wish to select.

 Select all denominations for the game by clicking the All Denoms check box or select individual denominations by selecting their respective denomination checkbox for the ones you wish to select

Note: Unselecting all denominations for a game will highlight the game selection red, indicating that at least one denomination must be selected.
