

# GAME SELECTION PORTAL GUIDE

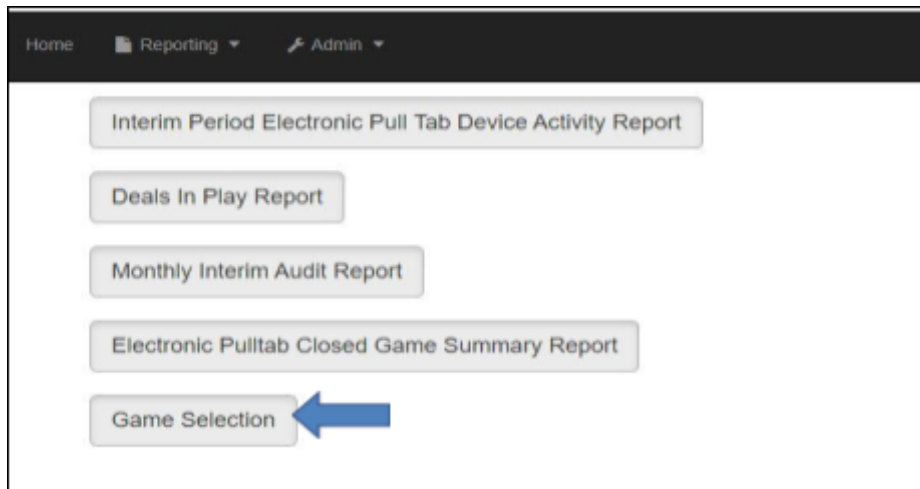

## 1. Introduction

The Game Selection Portal is a website available for charities to select their game choices for the upcoming quarter.

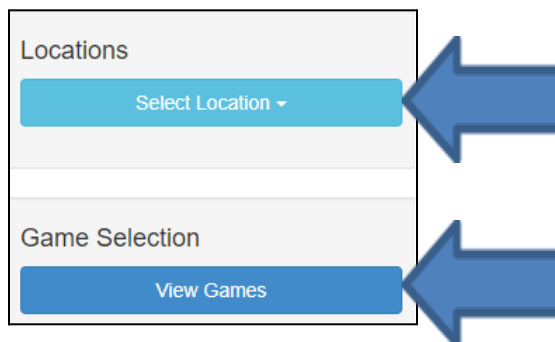

- Game selection is available on the reporting site: <https://nd.pulltabreports.com/>
- A **maximum of 12 games** can be selected for the next quarter before closing the current quarter.
- Changes can be made on the game selection site until a location closes the current quarter.

## 2. Navigating to the Game Selection Portal

1. Login to the reporting site and click **Game Selection**.

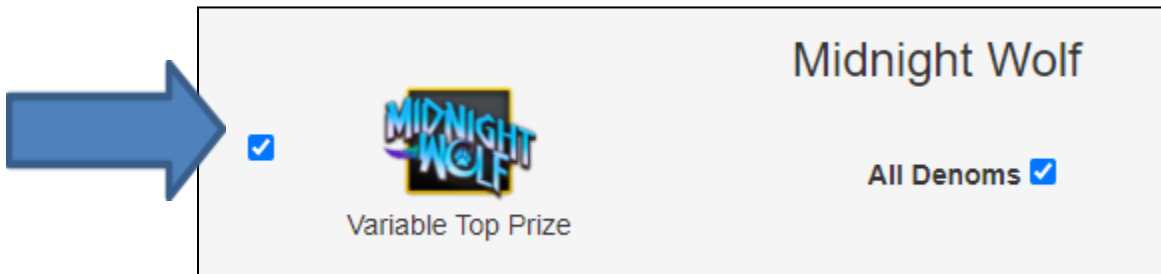

2. Select your location from the drop-down menu under **Location Tab**.

3. Under **Game Selection** click **View Games**.
4. The next page will present a list of games available for selection as well as their denominations and top prize selection (*if applicable*).

### 3. Selecting Games

1. Begin by selecting the checkbox to the left of the game logo you wish to select.

2. Select all denominations for the game by clicking the **All Denoms** check box or select individual denominations by selecting their respective denomination checkbox for the ones you wish to select

*All denominations*

*Individual Denominations*

**Note:** Unselecting all denominations for a game will highlight the game selection red, indicating that at least one denomination must be selected.

3. Once the desired denominations are selected, you may choose a new top prize for the available denominations. This is indicated by the text **Variable Top Prize** (see *Variable Top Prize* document).

The following games and their respective denominations offer a higher top prize:

- Denominations
  - \$1.00 denomination - \$1000 top prize
  - \$1.50 denomination - \$1500 top prize
  - \$2.00 denomination - \$2000 top prize
- Games
  - Great American Buffalo
  - Dr. Jekyll and Hyde
  - Midnight Wolf
  - King Kong
  - The Great American Train Robbery

- American High Roller
- Golden Koi
- Cold Catch
- Hot Locks
- Handsome Devil
- Flamin Frozen Joker
- Teapot Panda
- Donut Shop
- Land of the Patriots

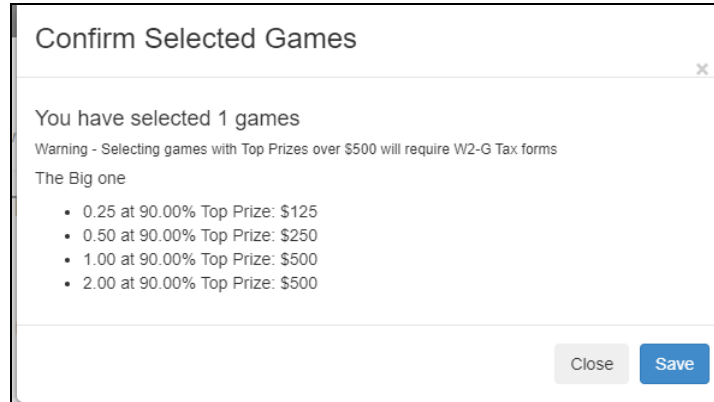

Once a denomination with an available variable top prize is selected, use the dropdown box beneath the denomination to view and select the top prize.

Games that do not offer a variable top prize will have their dropdown box grayed out and unselected.

4. Once the desired games, denominations and top prizes are selected, hit the **Submit** button, which is located on the left side of the page.
5. Hitting **Submit** will open the confirmation box.
  - a. Confirm your selections and ensure the games, denominations, and top prizes you have selected are correct.
  - b. You may **Save** as many times as needed, although once the *Closed Game Summary Report* is generated, the most recently saved selections will be downloaded onto the game terminals.
  - c. This page will show:
    - i. Selected Games, Denominations, Payout Percentages and Top Prizes

6. Once you are satisfied with your selections, click **Save**.
  - a. This will save your selections and bring you back to the game selection page.
  - b. At this time, you can close the portal.
  - c. If you need to make further changes, or change a game selection, go back to the page, and make your selections. Ensure you **Submit** and **Save** when done!
