Dear Neighbor,

Like you, Millard Fillmore knew that you do your best business on Main Street. We hope you'll help us with our time sensitive fundraising challenge and put Millard on Main, adding another landmark to East Aurora's historic and vibrant Main Street community.

Everyone loves a challenge, and the Aurora Historical Society has two! The William G Pomeroy Foundation has issued a matching funds challenge. Between now and February 29, 2019, we need \$16,000 in donations from people like you and they will match this dollar for dollar with a grant of \$16,000.

This will bring our funds raised to \$75,000, meeting the challenge already in place from the Linton Family Foundation. Reaching \$75,000 in donations by February 29, 2019, will bring a \$50,000 grant from the Linton Family Foundation, enabling us to put the project plan into action.

Donations can be made via our secure website, www.aurorahistoricalsociety.com, Go Fund Me- "Millard on Main", and by mail to Aurora Historical Society, Inc., PO Box 472, East Aurora, NY 14052.

For additional information or to schedule a meeting with one of our board members, please contact Susan McBurney at (716)652-5980 or mcburney14052@gmail.com.
