Notes:	

240W/220W/200W/180W Selectable, 120-277V	PREMIUM  CHYTHID  PRES
150W/120W/100W/80W Selectable, 120-277V	ROHS
25.25	vex.s
250W & 150W, 277-480V	

#### **Product Description:**

Upgrade your space and reduce opera. ng costs with the energy efficient Konlite MAX Series LED Round Bay lights. This compact design is easy to install, meets any budget and a contractor favorite. Selectable wattage takes the risk out of purchasing. You can now select your brightness and efficiency during install to assure the brightness meets the application and provides the amount of light you want and need for your area. Great for multi-zone facilities. Ideal for new construction or replacement of 150-1000 watt traditional HID, HPS or CFL fixtures. Delivers top energy savings and maintenance free durability for a wide range of applications: Warehouses and storage, Industrial facilities, Retail centers, Manufacturing, Sports facilities and Gymnasiums

#### Features & Specifications:

- 4-Step wattage selectable for low voltage(120-277V) version, and single wattage for high voltage version(277-480V)
- Advanced aluminum heat sink for enhanced air flow, lower operating temperature and top efficiency. Provides 60-70% energy savings.
- Designed for quick, easy installation. Pre-installed hook mount with locking bolt for suspension. Optional U-Bracket. Each unit comes with 8' quick connect cord and plug. Can be removed for hardwiring.
- Increase energy savings with optional integrated motion sensor. Can be adjusted from the ground via remote control: Brightness, Sensitivity, Hold-time, Daylight Harvesting, Stand by dim/time.

- Excellent color rendition compared to HID/HPS with uniform 120° beam illumination.
- IP65 rated: Corrosion proof coating, fully sealed, resistant to dust or low pressure water jets.
- Power Factor>0.9, THD<20%, Operating Temperature -40°F to 113°F (-45  $^{\circ}$ C to 45  $^{\circ}$ C).
- Certified Quality: DLC Premium eligible for rebates / L70 50,000 hours long life, 5-year warranty

Note:

1. Single wattage, for high input voltage version (277-480V).

# **ACCESSORIES**

Remote Control **SKU:** HD05R

**Description:** Remote Control for Konlite High Bay Motion Sensor of RKRHB0301, RKRHB0302 and RKLH0301 series.

Emergency Battery Backup **SKU:** EMUFO25170-YY

**Description:** 90mins, 25W, 100-347V AC input, suitable for Konlite round UFO High Bay Light, low voltage(120-277V) version
