

## 20x Print-At-Home Joke Cards

We know how hard it can be to entertain kids. Because we are so appreciative of your business, we wanted to send a complimentary joke card pdf that you can print at home. These are completely fresh jokes that are not included in your set. Enjoy! ❤️

### INSTRUCTIONS

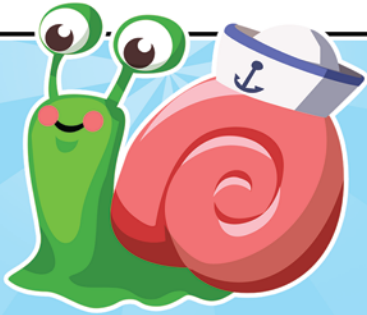

- 1 Open the pdf file in your browser or in an image viewer app. In the print settings, select pages 2 and 3 to print. Thick paper works best if you have an inkjet printer since it will be double-sided.
- 2 Once you've printed pages 2 and 3, put the paper back on the tray to print the other side.
- 3 Return to the print settings and print pages 4 and 5. The paper should now be double-sided.
- 4 All you need to do now is grab a pair scissors and cut along the dashed lines. Let the fun begin!
