Val do Salnés, Rías Baixas D.O., Galicia, Spain

The Winery

Bodegas Viña Cartín was founded in 1977 in the Salnés Valley. The winery has specialized in one unique variety since its inception: *Albariño*.

Over the years the vineyards have expanded to other growing areas - such as Vilagarcía de Arousa, Vilanova de Arousa, Meis and Portas.

Viña Cartín owns 49 acres of vineyards with vines averaging over 30 yrs. of age. The optimum climate of the region combines with the unique characteristics of the land to support ideal ripening of the grapes with a perfect balance of acidity and sweetness.

The Wine

Straw yellow in the glass, it has a fruity and floral bouquet that follows onto the palate. It has a finish that is tasty, structured and harmonious. Notes of apple and mineral. Differentiated because part of the production undergoes malolactic fermentation to naturally soften the acidity.

Crisp, clean, fruity and food-friendly.
