

Château Haut Rozier 2021 AOP Francs Côtes de Bordeaux

Château Haut Rozier is located in the town of Tayac, near Lussac. The domain is owned by Sir. Richard. This wine is certified Organic as of the 2020 vintage.

The domain is one piece with light slopes and an ideal south / south-west exposure.

Chateau Haut Rozier enjoys one of the finest terroirs of the appellations. The Richard family chose Organic viticulture precisely to better express this wonderful terroir.

What sets this property apart from its neighbors is the oenological approach combining modernity and tradition. Harvesting and vinification are conducted by Mr. Richard's team with great attention.

The nose express a deep bouquet of crisp wild berries. The mouth perfectly summarizes this superb vintage with very precise tannins
