

THE WINES OF
JARDIN
STELLENBOSCH

BACKGROUND

The distinct ravine in the Stellenbosch Kloof ward allows the opportunity to harness the cooling influences from the False Bay on our south and east facing slopes. This captures the intense flavour compounds found in the grape skins.

LOCATION & CLIMATE

The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with maritime influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening periods. This adds a unique characteristic to Jordan wines.

APPELLATION

Wine of Origin Stellenbosch.

SOIL

Glenrosa and Hutton.

ASPECT

Coolers south- and east-facing slopes, 250 - 310m above sea level.

AGE OF VINES

23 - 38 years old.

CLONES

Davis & Burgundian clones.

BLEND

100% Chardonnay.

ANALYSIS

Alc: 13%

Total Acid: 5.8g/l

pH: 3.36

Residual Sugar: 1.8g/l

TASTING NOTES

A variety of chardonnay clones planted on different slopes, harvested at different ripening levels and all of it fermented and matured in French oak barrels. These practices help to achieve natural balance and allows for different textural components which we then blend to achieve finesse and complexity. Bold and graceful with fragrances of lemon biscuit and overripe oranges.

HARVESTING

The grapes were harvested from the 24th of February to the 22nd of March 2022 at an average of 21.3°B.

WINEMAKING & MATURATION

The juice was barrel-fermented in a selection of 228 litre Burgundy-shaped French oak barrels (21% new, 79% second-fill in Nevers and Burgundian oak barrels). The wine was matured "sur lie" in the barrel for 9 months with occasional rolling of the barrels to accentuate the lees character.

ACCOLADES

2022 - 4 stars in the John Platter Wine Guide 2023

2022 - 93 points in Neal Martin 2023

2022 - 93 points at the IWSC

2022 - 91 points in Tim Atkin results
