

CLEANROOM & WAREHOUSE SUPPORT

ABOUT US

Liquidyne Process Technologies, Inc founded in 1993, is a leading distributor and fabricator of innovative solutions for fluid transfer, measurement and control. Liquidyne serves the Life Sciences, Food & Beverage, Commercial & Industrial markets with a focus on Biopharmaceutical, Pharmaceutical, Nutraceutical, and Animal Health industries.

Liquidyne is a dynamic, growing organization located in the beautiful Golden area of Colorado. We are an equal opportunity employer which offers a competitive salary and benefits package. We maintain a drug-free workplace and perform pre-employment substance abuse testing as well as background verification checks.

THE JOB

We are currently seeking a Cleanroom Technician - Warehouse Associate to be part of a team working to help make life better by distributing and fabricating lifesaving technologies to the biotech industry. Includes working between our Class 7 Cleanroom and supporting our warehouse by preparing orders for delivery, pulling products, documentation, packaging, shipping, and inventory control.

We seek an individual with the following qualifications:
