Custom made 100% pure linen textile

VANLINNEN

VANLINNEN is specialised in sustainable textile.

We offer everything for home: from tablecloths to curtains and everything is made from pure 100% linen. Although it is a product of high quality, you can enjoy our service at an affordable price.

We support slow fashion and reasonable consumption, that is why we mostly produce on demand. Our customers love that fact, that we make unusual sizes, that they couldn't find in the regular shop.

Please have a look at our collection and please let us know if you have special sizes request. Delivery time normally 2-3 weeks if it is not in stock.

Our whole collection you can find on the website:
