

# How to enter your drawing

We're excited to see everyone's drawings! Artists can work with any materials they want, but all drawings must be entered using the entry form. Follow these helpful instructions to make sure your drawing makes it into the contest.

## Step 1: Print and fill out the form

Print out and complete each field on the form. To be accepted, all entries your info, and most importantly, a signature from your parent/guardian.

## Step 2: Start Drawing

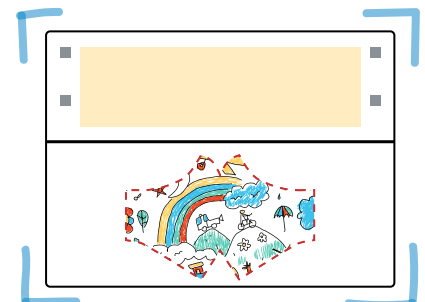

Choose the right size that you would like and start drawing! Artists can create their drawings using any materials they want. From crayons, colored pencils, markers to digital art using tools like Photoshop or Illustrator – just keep it within the red lines. Original artwork only.

Be sure to keep your drawing within the red lines!

## Step 3: Scan or take a photo

Scan the finished design for best results. If you don't have one, no problem. Free scanner apps are available for most smartphone. If you choose to take a photo, use a well-lit area and avoid shadows. Double check your photo to make sure the colours are crisp and clear.

Be sure all 4 square markers are showing and your scan/photo is clear.

## Step 4: Submit the form

Now get your masterpiece to us! The contest is open for entries until April 19, 2021 11:59 pm Eastern Time (ET).

Submit online: Scan or photograph your completed form and enter it at [protectstyles.com/pages/enter/](https://protectstyles.com/pages/enter/). If you're submitting via photo, take a high res photo in good lighting. Note that the file format must be .png or .jpg.

Winners will be contacted by April 30, 2021
