## Weddings at the Sodus Bay Lighthouse Museum

Congratulations on your engagement, and thank you for inquiring about having your wedding at the Sodus Bay Lighthouse Museum.

The lighthouse property is available for wedding ceremonies for a fee of \$600. This allows you the use of our lawn and gardens, including permanent exterior restrooms (and one restroom for persons with limited mobility), up to 140 white folding chairs (which we set up and take down), a reserved parking spot, and our pavilion (which does have electrical outlets) for a two-hour time period. Please note that receptions are *not* permitted on the grounds; however, we can provide you with a list of local restaurants which have worked with our wedding parties in the past.

Weddings may be held Fridays, Saturdays, and Sundays from May 1 through October 31; however, due to our free concert series, Sundays are not available from July 4 through Labor Day Weekend (inclusively). You can request a ceremony at noon OR at three o'clock. In June, July, and August, we also offer ceremonies at 6 p.m.

Prime dates fill up quickly, so if you know which days you are considering, please contact us to find out if they are available. We will also need you to complete the "Wedding Contact Information Form" so we can send you the required paperwork.

Thank you again; I hope to hear from you soon. Wherever you choose to wed, I wish you the best of luck in your life together!
