First, I would like to introduce myself as the Affiliate Manager for coleherbals.com. My name is Brenda Deming. I have more than eight years of experience in the affiliate networking and direct sales business, and am a Master Herbalist. I personally worked with Dr. Janell Cole for five years, and consequently have a deep understanding about each one of the Dr. Cole's products, and how they work to assist the body with healing itself.

I can help you earn money with these products if you are consistent and willing to learn.

Before we jump into this week's information, I am very interested in getting to know you. Please get back to me with the answers to these questions:

- 1) What brought you to coleherbals.com as an affiliate?
- 2) How much money do you want to earn every two weeks?
- 3) What social media platforms are you comfortable with?
- 4) What do you love to do?

Please respond to this email so I can learn more about you, and how I can assist you to sell Dr. Cole's Herbal Remedies.

To your prosperity,
