At Bird's Nest Baking Company we are committed to making delicious, small batch granola with fresh and pure ingredients.

We mix together only the best ingredients sourced locally, organically and direct from the farm. Our granola will taste fresh, delicious and natural – the way real food should.

Bird's Nest Granola is handmade in small batches in Tucson, AZ and available in three delicious flavors:

- **Cranberry Flax:** crunchy combination of almonds, organic coconut, dried cranberries and golden organic flax seeds with just a hint of orange.
- **Apple Cinnamon:** nutty and mildly sweet mix of unsulfured apples, organic cinnamon and almonds.
- **Sonoran Blend:** distinct flavors of the desert southwest with local pecans, prickly pear cactus fruit, mesquite, amaranth and pumpkin seeds.
