# About Us

Thank you for your consideration of Elite Urn Manufacturing.

We have been manufacturing cremation urns for 20 years and we are committed to providing only high quality, North American made products. We are very proud of the hand-crafted products we produce that stand out in competitive market space. Our product is superior in appearance and quality, and we offer free samples for you to see the difference yourself.

Please consider the following points when choosing a trusted supplier.

Elite Urn Manufacturing:

- Does not sell online or direct to consumers. We only work with funeral homes.
- Offers the best quality and craftsmanship in the industry.
- Uses only North American production.
- Features an easy buying process from ordering to delivery.
- Has a standard 24-hour production time.
- Offers free samples from our catalogue to feature in your showroom.

Simply said, Elite Urn Manufacturing will provide your funeral home with the industry's finest North American crafted wooden urns.

We look forward to serving you soon.

Sincerely;

Brock Young
