

RaiseShield (E2, E2CF, Pro2 Series)

Priority Service, Superior Performance

When your business depends on 3D printing, Raise3D is there to provide the reliable equipment and expert support to keep your projects in motion. To make your investment go even further, RaiseShield is designed to enhance your unparalleled Raise3D service experience with an upgraded warranty and speedy access to replacement parts.

RaiseShield Protection Programs

- 1 Year Extended Warranty Coverage - \$500
- 2 Year Extended Warranty Coverage - \$750

1 and 2 Year Plans

Upgrade your warranty to 1 or 2 years of RaiseShield-backed protection on all electronic as well as mechanical parts (consumables excluded). Furthermore, you'll receive free shipping for all warranty-covered parts.

Support Your Way

Get exclusive support options with a designated senior support engineer. Whether it's email, on the phone, or through our easy-to-access on-line support system; our support teams are dedicated to you for seamless trouble shooting and certified coverage.
