Profile

Welcome to GHANA RUBBER, Ghana's largest supplier of catering disposables!

Ghana Rubber Products Limited (GRPL), established in 1959, is a pioneer in sub-Saharan Africa in the production of beach sandals, rubber sheets, and other rubber-based products. In the early 2000s, GRPL began diversifying into various plastic production lines, and was the first producer of disposable plastic cups in Ghana and has since then further developed its product range in disposable food products line.

Today, Ghana Rubber is proud to be the only one-stop-shop for disposables in Ghana, and is a reliable supplier of a diversified range of products serving the hotel, café, and restaurant industries. At GRPL, we pride ourselves on having the largest range of rubber products and catering disposables in Ghana.

Mission

At Ghana Rubber, we aim to be the leading one-stop shop for all disposable and catering-related products.

Vision

We are always looking to innovate and be the trend-setters for the disposables market in Ghana and the West-African Sub-Region. Our vision is to continue to champion the production of quality, affordable, and environmentally-friendly disposable items for households and businesses.

We do this in four main ways:

Low Prices – We are committed to supplying catering disposables to all our customers at competitive prices. If you find a lower price on the same terms, we will match it.

Choice – We stock over 6,000 products supplied to various shopping channels in order to fulfill our customers' needs.

Quality – With over 60 years of industry experience, we can meet the quality needs of every type of customer in the catering and hospitality trade.

Customer Service – We handle hundreds of orders every day, and our specialist teams have been trained to give every call and order the attention our customers deserve. By setting the industry standard, we listen to our customers and continually strive to improve, making it easy for anyone to do business with us.
