

Corporate Volunteering

Are you looking for something rewarding to do with your team? Looking for a way to make a difference in your community and give back? We'd love to welcome your team to our Gold Coast warehouse for a day of workplace volunteering!

Our volunteering experience offers your team a unique opportunity to spend a day away from the office, while building relationships and making a real difference. A day with us will ensure you feel more connected to your team, and you'll leave knowing you've made a real impact in the lives of many vulnerable families in our community.

team work...

WHAT'S INVOLVED IN A DAY OF VOLUNTEERING?

- **Pack** essential items for vulnerable children such as clothing, toys and toiletries
 - **Clean** items like cots, prams, high chairs and car seats
 - **Greet** and thank donors for their items
 - **Assemble** new items such as prams
- Volunteers will also hear some of the stories of the families we support, see first hand just how grateful caseworkers are when they collect orders, and leave with a real understanding of how their efforts have directly helped families in need in our community.

WHAT YOU'LL GET FROM US

You'll be guided through your day of volunteering by one of our dedicated team members. We'll offer you the chance to work with your team together to complete the jobs we have for you – a great team building exercise!

You'll have fun working with your team while doing something meaningful and rewarding.

A typical day of volunteering looks like:

- 10:00am – Briefing (it is important that everyone arrives on time)
- 12:00pm – Take a break and enjoy lunch with your team
- 2:00pm – Finish

MAKE YOUR IMPACT LAST

There are many ways that you can make your impact last – not only will you help us achieve vital outcomes by giving your time, but you can make your impact reach even more families by donating items on the day or organising a workplace giving program.

- **Workplace giving** – Workplace giving is a great way to support Baby Give Back. Talk to your manager about donating part of your pre-tax salary, and your workplace may even match to double the impact.
- **Donating items** – bring along consumable items to donate on the day. Have a collection drive in your office prior to coming to volunteer and collect nappies, wipes, toiletries, etc.

We kindly request a financial contribution which ensures that you have a trained staff member guiding your team throughout the day, helping you get the most out of your volunteering experience with us:

- \$400 (plus GST) for groups of up to 5 people
 - \$800 (plus GST) for groups of 6–9 people
 - \$1000 (plus GST) for groups of 10–14 people
- Any groups of more than 15 people will need to be discussed. This contribution also enables us to provide support to thousands of babies and children each year.

**GIVE
BACK**
