

# Aftercare

## IMPORTANT TIPS TO MAINTAIN YOUR PMU EYELINER

Gently blot the area with a moistened cotton round about 2 hours after the service to clean off any lymph fluid

Wash GENTLY with mild cleanser AM/PM and PAT DRY

Let your eyeliner dry out for 48 hours before applying a thin layer of aftercare balm

Do not rub, scratch or pick, instead apply aftercare balm for relief

Avoid direct sun exposure, including tanning beds for 4 weeks. Wear sunblock to protect your eyeliner

Avoid swimming, soaking, steam bath and facial treatments for the 1st week

Avoid active ingredients, botox, facials, laser or peels for 4 weeks
