

# Instruction Manual

## Boat Rocker

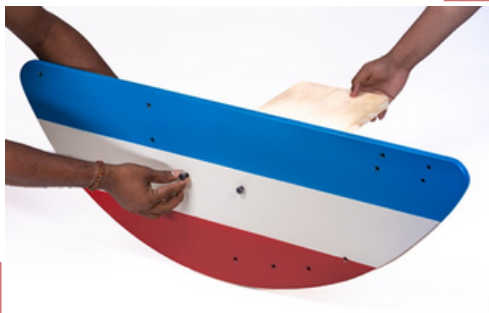

### Note

- We suggest 1 or 2 people take charge of the assembly.
- Assembly takes 10-15 minutes.
- Involve your child in the assembly as this will give them a sense of belonging and will warm the child towards the Boat Rocker.
- Unwrap the Boat Rocker parts and place it as shown in the image for convenient assembly.
- Secure all screws and knobs mildly during assembly. Tighten after you complete the assembly. DO NOT OVERTIGHTEN.

## Step - 1

Place **side A** along with the seat shown in the picture and ensure both the screw holes are in line and gently secure them with given screws using allen key.

## Step - 2

Now repeat the same with **Side B** as shown in the picture

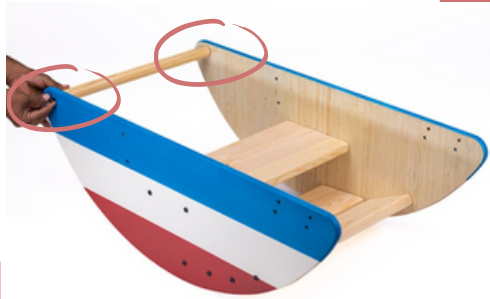

## Step - 3

Now place **the bottom 1 & bottom 2**. As shown in the picture. Ensure both the screw holes are in line & gently secure them with given screws using allen key.

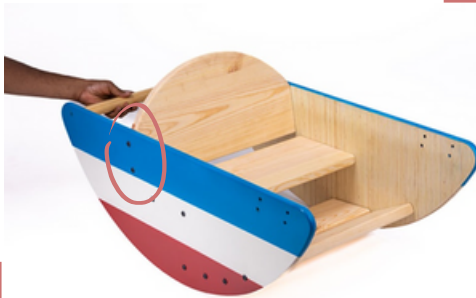

## Step - 4

Place the **round rod** to the back of the assembled unit and gently secure them with given screws using allen key.

## Step - 5

Place the **back rest** in the holes marked in the image. Ensure both the screw holes are in line and now, Gently secure them with given screws using allen key

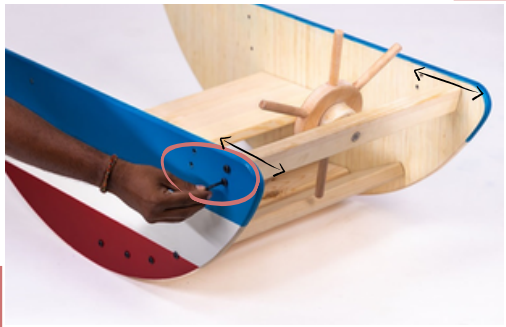

## Step - 6

Now place the **steering wheel support** as show in the picture and gently secure them with given screws using Allen key

## Note

Adjust according to the child's comfort (ref: step 6 )

**Your Boat Rocker is ready for exploration.**
