## Instruction Manual

# Toddler Workstation

## Note

- We suggest 1 or 2 people take charge of the assembly.
- Assembly takes 10 - 15 minutes.
- Involve your child in the assembly as this will give them a sense of belonging and will warm the child towards the Toddler Workstation.
- Unwrap the Toddler Workstation parts and place it as shown in the image for convenient assembly.
- Secure all screws and knobs mildly during assembly. Tighten after you complete the assembly. DO NOT OVER TIGHTEN.

## Step - 1

Attach the **table support rods** to the **table leg 1** as shown in the picture. Ensure the screw holes are in line with the rods and gently secure them with given screws using allen key.

## Step - 2

Repeat the same using **table leg 2**, keeping it parallel to first structure

## Step - 3

Now slide **tabletop** in between the table Legs as shown in the picture.

**Note** -You see 3 holes in the marked position use the desired hole (ref. last page)

## Step - 4

After selecting the desired height. Gently secure them with screws and allen key. Make sure it is sturdy.

## Step - 5

Now attach the *chair seat* to the *chair leg 1 & 2* as shown in the picture ensure screw holes are in line and gently secure them with screws and allen key.

## Step - 6

Attach *chair back rest* as shown in the picture. Ensure screw holes are in line and gently secure them with screws and allen key.

## Step - 7

Place the table and chair together in your favourite Spot.

The table can be adjusted to 3 different heights

**Your Toddler's Workstation is ready for exploration.**
