Energetiks Child's Shoe Size Chart

Our shoe size charts are a guide only, they should be used as an aid and should not replace a personal fitting. Dance shoes should fit firm with very little growing room to ensure the foot is well supported. Our charts are reflective of a 'professional' fit (a tighter fit) and are here to give you a general idea on sizing. Order one full size up for growing room. Shoe sizes may vary due to shape and width of the foot. Energetiks is not responsible for incorrect measurements, or ordering the wrong size.
