## St Edmundsbury Pinot Noir Suffolk, England.

### The Vineyard

Situated on an ancient glacial riverbed, our 19-acre vineyard grows upon fertile sandy loam soil over gravel to produce quality grapes, high in natural sugars and acids, which lend themselves particularly well to sparkling and still wines. It's this special terroir which gives our wines their dry flinty quality and delicate floral accents.

The vineyard was planted around 25 years ago and the vines are now in their prime.

### Tasting Notes

Our Pinot Noir takes its namesake from the historic St Edmundsbury Cathedral, that once grew vines within its abbey walls. In the medieval period, a third of the tithe to Rome was paid in hogsheads of wine. It is this heritage which has inspired our best-selling English red.

Opening with a generous nose, this cool-climate pinot noir offers soft tannins and fruit, balanced with notes of stewed plum, rhubarb and cranberry on the palate.

### Pairings

Game: pheasant, duck, guinea fowl or rabbit. Patés and terrines. Grilled asparagus and goat's cheese.
