## giving and getting

Dolan knows how much we love his artwork, and he has graciously offered boho readers a special limited time discount of 10% off on all orders received from December through February. Visit their etsy site at <http://dolangeiman.etsy.com> and enter the discount code "Boho Mag" in the "Message to Seller" note during checkout to receive the special discount.

Dolan Geiman donates a percentage of all online sales to the National Audubon Society. For every wholesale order by a new retailer, Geiman plants ten trees via *Trees for the Future*. Unwanted art supplies are donated to *Creative Pitch* which redistributes these supplies to elementary schools, art therapy programs, and shelters.
