A GUIDE TO THE

NANNIE INEZ TRADE PROGRAM

NANNIE INEZ

[NANNIEINEZ.COM](https://nannieinez.com)

Since opening in 2011, Nannie Inez has worked with trade professionals, including —

INTERIOR DESIGNERS

ARCHITECTS

HOME DEVELOPERS

HOSPITALITY PROFESSIONALS

The following pages explain the perks and details of our exclusive trade program, as well as highlight some of the contemporary designers we carry.

TRADE PROGRAM DETAILS

Nannie Inez manages the full procurement life cycle of product sourcing at competitive trade pricing.

This includes domestic and international logistics, freight forwarding, customs clearance, and final delivery to the project site. We approach our role as a member of your team, with the primary goal of assisting you and your organization to ensure your client's satisfaction.

For more information about our brands or for order inquiries, email or call us at heather@nannieinez.com or 512 436.6885.

MUUTO

Muuto is a Danish design company that is rooted in the Scandinavian design tradition characterized by enduring aesthetics, functionality, craftsmanship and an honest expression. The company handpicks the brightest design talent in Scandinavia and invites them to express their stories through everyday objects, resulting in what some are calling “new Nordic”—still true to the heritage of the ‘50s and ‘60s but with a more international approach that resonates around the globe.

Any Muuto products can be purchased through Nannie Inez. [Click here](#) to browse the full collection at muuto.com.

WOUD

Founded in 2014 with the love and aspiration for creating new originals. Woud collaborates with both established designers and upcoming talents who share their vision of creating timeless design where each product has a meaning, a purpose and a function. In their designs, whether it be in form, function or choice of material, Woud strives to add a touch of innovation while staying true to the simplicity and quality anchored in their Nordic design tradition.

Any Woud products can be purchased through Nannie Inez. [Click here](https://www.woud.dk) to browse the full collection at woud.dk.

HAY

Founded in 2002, HAY has established itself as one of the fastest rising furniture design firms in Denmark and beyond. HAY mixes the innovation of traditional Danish modern designs into a contemporary context, resulting in pieces that are at once familiar and new. HAY produces meaningful and authentic products that have a long life span and are available at a democratic price.

Any HAY products can be purchased through Nannie Inez. [Click here](http://hay.dk) to browse the full collection at hay.dk.

SKAGERAK

Skagerak is a family-owned company with historical roots in Scandinavian geography and proud furniture traditions. Their passion for natural materials and focus on quality have remained intact, as they have developed into a modern design brand with an extensive selection of contemporary products in a wide range of materials, created by established designers as well as up-and-coming talents.

Any Skagerak products can be purchased through Nannie Inez. [Click here](https://skagerak.dk/) to browse the full collection at skagerak.dk/.

GUBI

Gubi was founded in 1967 by Jacob and Sebastian's parents, Gubi and Lisbeth Olsen. They are rooted in Scandinavia but with a distinctive global outlook and sense of aesthetics.

Gubi offers an extensive assortment of extremely aesthetic, thought-provoking designs characterized by simple, arresting shapes, original materials and innovative techniques which defy time and space. Imbued with a beauty that resonates with design aficionados, architects and designers all around the world.

Any Gubi products can be purchased through Nannie Inez. [Click here](https://www.gubi.dk) to browse the full collection at gubi.dk.

MENU

Established in 1979, Menu is one of the Denmark's best-known design brands today. Menu's philosophy is simple. They want to make the world better, less complicated, a little bit nicer to wake up to. Menu is obsessed with designing clever solutions for modern living. They want to make beautiful objects for everyday use, whether that's an indispensable item of kitchen equipment, a clever floating shelf or a beautiful vase that adds the finishing touch to your living space.

Any Menu products can be purchased through Nannie Inez. [Click here](#) to browse the full collection at menu.as.

FERM LIVING

Ferm Living draws on Scandinavian design traditions and simple aesthetics - but with a distinctive graphic edge that makes every item firmly contemporary. Rooted in Denmark, where Trine Andersen founded a graphic design studio in 2005. The decision to start her own business sprang from a personal vision of a bird on a branch, ready to take off. That bird remains a part of the logo today.

Any Ferm Living products can be purchased through Nannie Inez. [Click here](#) to browse the full collection at fermliving.com.

BEND

Bend Goods is a Los Angeles based design and manufacturing company. They design functional products for the home and public spaces. They also make furniture, lighting and other goods, with a commitment to being innovative and playful. The quality of Bend's products is in the details: the inviting shapes, the sparks of color, the ease of assembly and the packaging. Each element embodies Bend's drive for making iconic and sustainable products.

Any Bend products can be purchased through Nannie Inez. [Click here](https://www.bendgoods.com) to browse the full collection at bendgoods.com.

ABOUT NANNIE INEZ

With a mission to discover and highlight emerging designers from around the world, Nannie Inez has quickly become a destination for limited-edition and hard-to-find pieces. Much of the carefully edited assortment, which also includes the work of more established designers, is either exclusive to Nannie Inez or in extremely limited distribution.

The selection of in-store merchandise and special orders at Nannie Inez constantly evolves, so it's always a source of fresh and unique perspective.

Nannie Inez trade accounts include Launderette, Forthright Cafe, Shade Restaurant and BMW offices (South Carolina) as well as numerous residential projects.
