

NAUTILUS[®] BENCHES

Stretching is a vital step in the warm up or cool down of every workout. The Nautilus Stretch Bench helps members prepare themselves for a strong and productive workout. It helps prevent injury and leaves the user feeling flexible and ready pre and post workout. The Stretch Bench is light weight, with a small foot print, ideal for any space in your facility. Plus, our benches and racks don't just look strong, they exceed industry requirements in all respects.
