

Spirits Walkway Q&A's

What is Spirits Walkway?

The new Spirits Walkway will be a feature point of our new distillery for generations to come! It is a chance for you to be part of history, the pathway has a limited number of spaces for your name or the name of a loved one. All proceeds from the walkway will go towards our new distillery build.

When will I be able to see my name in the walkway?

You will be able to view and access your name once our new distillery is open during the backend of 2024. With any building project this is an estimated timeframe.

What does the name mean?

We believe Spirits Walkway ties in our provenance as we create spirits in the form of Gin and Rum, we also love the fact we will be next to the English Heritage site Whitby Abbey which is the home of Dracula. We also hope this pathway will become a tribute and memorial to those who have passed.

Where will the walkway be located?

The walkway will lead from the public footpath alongside the Abbey Grounds and down to our new Distillery.

Can I have a name and what are the costs associated with the walkway?

There is a one off cost per name, we have also created packages to allow you to have more than one name grouped together. You will be able to find the prices on our website.

What is a Family Name?

A family name is a surname, if you have enough characters then you are welcome to put "The" before the name or "Family" after. For example; The Smiths or Smith Family

Will Whitby Distillery spell check before the engraving stage?

No, we will go ahead with the order as you have spelt it. We will not be able to offer a refund if the name was misspelled at the time of the order.

What material will be used?

The Walkway will be made of Cast Iron Plates, this allows it to age naturally over time and also means it will be around for decades to come!

What is the length of the walkway?

The length is limited to approximately 40 sheets/plaques totaling a 40 meter long pathway

How large will the names be and how many names will be on a plaque?

Each letter will be 3cm tall with a depth of 5mm, each letter is roughly 1-3cm wide. Within each plaque there will be 40-50 names.

Will I be able to place names next to each other?

You will not be able to pick where your name will be placed, however if you have multiple orders of different names and would like them near each other then please do email us and leave a comment in the box before you check out. We cannot guarantee the placement, but we will do our best to accommodate this.

How will the walkway be maintained?

As the walkway will also be used as a tribute to those who are no longer with us, we will maintain and monitor it with the utmost care. We want family & friends to visit and be proud of the history they will be part of.

Will the walkway be suitable for wheelchair users?

Yes, the lettering will be 5mm high but within a tight composition to create a grip pattern, so you will be able to walk or wheel over it without an issue. We have worked closely with disabled access groups in order to make sure the walkway will be accessible for all.

For those with Endeavour and Resolution membership (prior to 1st July 2023) we are including the sole name of the membership holder as a thank you for your support so far. For more information please see below.

Question- I'm an Endeavour/ Resolution Member (prior to 1st July 2023). Can I include my partners name alongside mine.

Answer: Yes you can. Please go ahead and purchase the name on our website and include a note at check-out to state you would like this name placing next to yours.

Question- I'm an Endeavour/ Resolution Member (prior to 1st July 2023) who's name will be included on the walkway?

Answer: The name on the walkway is the name that the membership is in, which is a single name i.e. Jane Smith. If you are sharing the membership with your partner such as Ben and Jane Smith. The name on the walkway will be in the membership holders name.

Question- I'm an Endeavour/ Resolution Member do I get my name included on the walkway.

Answer: For those who purchase the membership before July 1st 2023 your name will be included on the walkway as a gift from Whitby Distillery to thank you for your patience.
