CHAFE SAFE ANTI-FRICTION BALM

- + EASY TO APPLY BALM
- + NO MESS, NON-STICKY APPLICATION
- + NO PARABENS, PETROLEUM, OR DYES
- + WON'T CLOG PORES

Directions: Prior to activity, apply liberally to intact skin areas prone to chafing including: feet, heels, thighs, groin, chest, bra line, nipples, underarms, neck, shoulders, waist and more. To remove, wash off with soap and water.

Caution: Do not use under or over KT TAPE® kinesiology tape as it will interfere with the product's adhesive.

Warnings: For external use only. Avoid contact with eyes. Do not swallow or use on deep or puncture wounds, infections, burns or lacerations. Use only on intact skin. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center immediately. Discontinue use if skin becomes irritated or sore, and seek medical help. If you have skin sensitivities, consult your doctor before use. This product is not a replacement for professional medical care. Warranties and remedies limited to product replacement cost. This product contains natural oils that may stain some materials. Store at 59° - 90° F (15° - 32° C).

Ingredients: Caprylic / Capric Triglyceride, Hydroxystearic Acid, Bis-PEG-12 Dimethicone Beeswax, Ozokerite Wax, Dimethicone
