SPELLS

Purification with Coins

What it does:

This spell should be used when feeling depressed, out of control of your life, after the breaking of a relationship and at any other time when you feel the need.

What you need:

Four similar coins
A well

When to do it:

Can be done at anytime.

How to do it:

Take four coins. Wash them just until they're sparkling clean (you may need to scrub them with baking soda and a toothbrush). Do this before going to the well. Stand before the well facing West. Toss a coin into the well, saying:

I freely give this up.

Move so that you're facing North before the well. Toss a coin into it, saying:

I freely give this up.

Now facing East before the well, toss and say:

I freely give this up.

Facing South, throw a coin into the well and say:

I freely give this up.

Your rite has ended.

(Note: It would be unwise to perform this ritual in a well actually used as a source of drinking water.)

The Home Cleansing Ritual

What it does:

When you feel tired or a lack of energy at home, this ritual will help you get rid of bad energy by cleansing.

What you need:

Incense (purifying scent)
Chalice of Saltwater
Cleaning Supplies
Broom (if available)

When to do it:

Whenever you feel the need.

How to do it:

Step 01: Get rid of clutter

Clutter blocks energy in your home. Throw out everything you haven't used for the last 6 months and don't think you'll use for the next 6 months.

If you are in doubt about some items, put it in a box, write today's date on it and revisit it in 6 months from now.

Step 02: Clean your home.

Clean your home. Begin by thoroughly cleaning your home. Get behind that fridge, sweep away those cobwebs on the ceiling and vacuum the floor.

It wouldn't make sense to cleanse a dirty home. Your old items, dirt and dust stores a lot of negative energies.

Step 03: Cleanse.

Begin by opening all your windows and doors to allow fresh clean air in.

Pick up your broom and visualize yourself sweeping all the negativity out of the house through the open doors.

Begin with the farthest room from the front door so that all the negativity eventually finds its way outside.

When you feel that your home has been thoroughly cleansed, say in a strong, clear voice:

*“My home is cleared of all negative energy.
Let it be a place of peace, serenity, love, and prosperity.”*

Step 04: Sealing your home.

Light some incense indoors and sprinkle saltwater outside your house. This will help keep evil spirits away.

Finally, use your wand or your finger to sketch a pentacle in the air, in the direction of your home's entrances (windows, doors, basement and garage).

The Cleansing Ritual

What it does:

This chant cleanses and purifies your energy or the energy of other items. Use it if you feel stressed or need to cleanse before doing a spell or a ritual.

What you need:

You don't need anything to do this.

When to do it:

Before doing a spell or a ritual. Can also be done after a spell or a ritual if you feel the need.

How to do it:

Chant the following:

“Uphold the rules of the Wiccan Rede.
Be high in spirit ye shall succeed.
Power of the Elements Five,
Will help Mother Nature stay alive.
From grains of Earth to the moving Air.
Past the burning Fire that magick flares.
Flow with Water, lakes, and streams;
Around the Spirit's aura and dreams.”

PROTECTION
SPELLS

Protection Chant

What it does:

This chant will protect you from evil. Say it before and after doing spells.

What you need:

You don't need anything.

When to do it:

Before and after spells.

How to do it:

Visualize your self sitting in the middle of the pentagram facing upwards with 3 circles of purple light round you and say:

“PROTECT ME WITH
ALL YOUR MIGHT OH
GODDESS GRACIOUS
DAY AND NIGHT”

You need to say this three times then end it with

Protection Chant for Outdoor Spells

What it does:

This chant is very powerful and protective for when you are doing spells outdoors or at night.

What you need:

A wand (blessed)

When to do it:

Before doing spells at night or outside.

How to do it:

With your wand, draw a Pentacle in the air.

Imagine the Pentacle glowing and trapping all evil inside.

Chant the following:

“Hail fair moon Ruler of the night;
Guard me and mine Until the light”

Look into the flames of your fire or candle. Visualize that glowing from the flames bathing you with protective light. The fire creates a glowing protective aura around you.

Say the following:

“Craft the spell in the fire;
Craft it well;
Weave it higher.
Weave it now of shining flame;
None shall come to hurt or maim.
None shall pass this fiery wall;
None shall pass No, none at all.”

Spell for Breaking a Curse

What it does:

This spell will help you or others break free from a curse.

What you need:

Five white candles
Old Cooking Pot
Black Candle
Water

When to do it:

Anytime will do.

How to do it:

Take the five white candles and arrange them in a Pentacle.
Place a black candle (which symbolizes the curse) in the center.
The ones afflicted by the curse must say:

“Evil curse that blights out lives
Be lifted now and flee
These candles’ lights overcome the dark
From its grasps, set us free”

If the curse is really strong, you need to do the following as well:

Take the cooking pot and place the black candle in the center.
Fill the pot with water until it is 2 inches below the wick of the candle.

Light the candle and say:

“If truly hexed or cursed I am, let it break with quench of flame”

Then stare into the flame and see all the negative energy being drawn into it. When the candle burns down to the water level, and the flame sputters out, say:

“So mote it be!”

Dig a hole and empty the water into it. Put the candle in the hole and bury it.

The Bottle Spell

What it does:

This spell can be used to neutralize the power of those who intend to hurt your reputation, in any way pose a threat to your security, or who want to do you physical harm.

What you need:

Black thread
 Black ink or black ballpoint pen
 Parchment paper
 1 bottle with a cork or mortar and pestle
 1 white candle
 4 tablespoons orris-root (or oak moss)
 4 tablespoons sea salt
 4 tablespoons black powdered iron (available at pottery shops where ironstone is made)
 4 tablespoons frankincense or myrrh

When to do it:

Anytime

How to do it:

Mix the sea salt, orris-root powder, and iron in a bowl. Then cut a piece of parchment to fit inside your bottle and write on it in black ink:

“I neutralize the power of [name of your adversary] to do me any harm.
 I ask that this be correct and for the good of all. So mote it be!”

Roll up the parchment, tie it with black thread to bind it, and place it in the bottle.

Fill the bottle with the dry ingredients. Then take the white candle and, while turning the bottle counterclockwise, drip wax over the cork to seal it.

Last, secretly bury the bottle in a place where it will not be disturbed and no animal or person will dig it up. It should never be opened or the power of the spell is lost.

WEALTH SPELLS

The Job Spell

What it does:

This spell helps you get the job you want by sending your wish and intentions out into the universe.

Imagine yourself getting the job you want. Imagine yourself at the interview and even getting your first paycheck.

Take some time. Make the images stand out. The more feelings, sounds, smells and colors you put on your mental image the better.

Tell yourself that you deserve this job, that you are worthy of getting this job and that this job deserves you!

Imagine you already have the job and really feel how it makes you feel.

When the image is as vivid as possible and when it almost feels like it has already happened, blow the candle out and let the smoke carry your intention and wish out into the universe and up to your gods.

- 1 silver ribbon
- 1 green ribbon
- Patchouli oil
- A dollar bill (as large as possible)

When to do it:

Waxing Moon Phase

How to do it:

First you need to gather the pine twigs. Put them on your altar, on top of your money. If you don't have an altar, put them in another sacred place in your house. Let them sit there for a week before you do the rest of the spell.

After a week, rub a little bit of patchouli oil on each branch while you chant the following:

“Money in my door,
I just need a little more”

Wrap the twigs up with the ribbons, making a little bundle. Leave some extra ribbon, so you can hang it.

Next, hang your money charm on your main door to your home. Hang it on the doorknob or use a nail.

You can hang it on the inside or the outside of the door. It doesn't matter, as long as it's your main door.
