DAILY  
MAGICKAL  
CORRESPONDENCES

The  
Moonlight Post

Being a Wiccan means being able to see the magick every single day... and know that EVERY DAY IS A MAGICKAL DAY.

Each day of the week has a its own magickal correspondence. There are specific planets, deities, and intent that you can work with on a specific day depending on your purpose.

This Daily Magickal Correspondence issue is pretty simple -- it allows you to determine which herbs, elements, crystals, colors you can mix together to achieve your desired result. The items under the same day have similar vibrations. They work well in harmony of one another.

We have also added some spells that you can cast that is in line with the intentions for the day.

Please don't restrict yourself with the daily magickal correspondence chart, let the chart set you free and allow you to look at your daily surroundings and see the magickal creations strategically placed all around us by the Mother Goddess.

May you come away from this with a grateful heart... I know I did. :)

Enjoy the issue and blessed be!
