

WHAT KIND OF
WITCH
ARE YOU?

THE 
MOONLIGHTSHOP
• YOUR ONE STOP WICCAN SHOP •

Aries

You are a blood witch. You are blessed with the ability to cast powerful Candle Magic spells and tame the currents of energy.

You are known for your fiery passion and boldness. You are quite the daredevil.

You like your privacy and yet you are very charismatic and sociable.

You prefer meditation as a form of magick.

You like to accessorize with necklaces, bracelets, and earrings to express yourself.

You like to move from place to place and dislike settling in one place for too long.

Taurus

You are an elf witch. You are very well attuned with the power of Earth and Nature.

You are a garden witch and you like being in your garden of fruits, herbs, flowers, and vegetables.

You are a very good communicator, which your family and friends love about you.

You are determined and you persevere, especially when you want something.

Gemini

You are an energy witch. You have a natural ability to sense changes in energy levels around you.

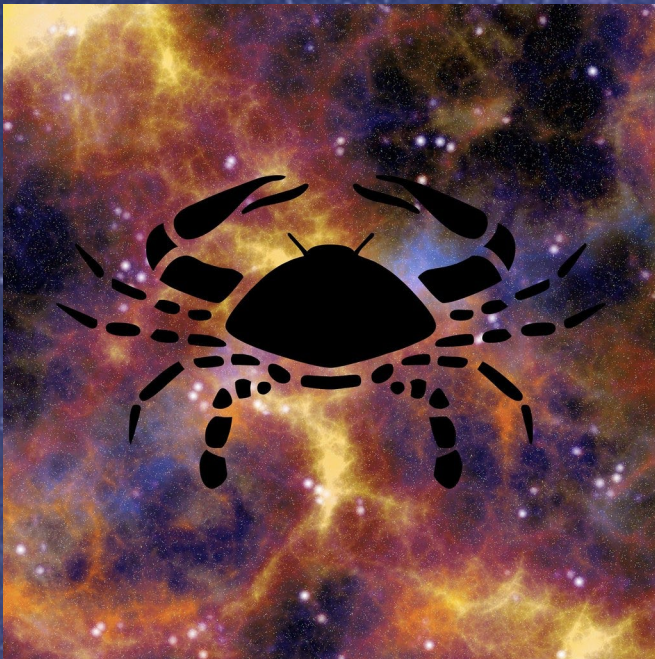

You have sensitive intuition and you can easily send and receive energy to the past, present and future.

You are energetic and you tend to think outside the box.

You like lucid dreaming and astral projection.

You like to dress in bright and loud colors.

You may come off as shallow to some people who cannot handle your charisma and positive energy, which leads to you feeling isolated.

Cancer

You are a kitchen witch. You like to work magick indoors with the use of supplies like food and remedies.

You are a kitchen witch who is always brewing potions.

You also like home decor.

When you love someone, you stick with them for life.

You tend to wear dark and muted colors.

You communicate with animals pretty well.

Leo

You are an enchanter witch. You have the natural ability to catch the attention of others and you crave attachment.

You can easily hypnotize people and animals and charm them.

You can utilize the natural elements in any way you can wherever you are.

You love crystals and gemstones and candles and essential oils.

You are very loyal and you keep your promises.

Virgo

You are a hermit witch. You can create extremely potent magick as long as you can remain focused.

You like to reinvent yourself from time to time. You like new beginnings.

You tend to be shy and speak only a few words. You don't like to stand out that much.

You like indoor plants and small trees.

You tend to be a perfectionist and this makes you struggle with anxiety and depression. Your biggest enemy is yourself - with your tendency to give off negative vibes.

Libra

You are a music witch, usually extremely talented in music, arts, and crafts.

You can easily create your spells and you're excellent with healing spells. You like to mend broken relationships and resolve arguments.

You like to utilize tarot cards to give people advice and help them heal.

You like baking pastries and enjoy your time in the kitchen.

You prioritize comfort over style and like to dress in laid back clothes.

Scorpio

You are a traditional witch who likes darkness.

You are a nocturnal witch who feels more active and inspired during the midnight hours, when darkness asserts its dominance. This doesn't mean you like dark magick, it only means you are great at perceiving what's hidden.

You like to know everyone's history and you also like to commune with the dead.

You like to dress up in black.

You have the ability to manage and control your emotions.

You are known for your beauty and confidence.

Sagittarius

You are a thunder witch. You have a great ability to direct a very focused current of energy towards whatever you desire.

You are wise and fair.

You are clairvoyant and you tend to see things before they happen.

You enjoy Samhain. You enjoy contacting the dead.

You tend to dress in deep and dark colors.

Capricorn

You are a traditional green witch who can easily assert your magickal dominance both in Nature.

You can tap into Nature's power and are connected to the Spirit world.

You like regularity and consistency in your life.

You are focused on a singular goal and you cannot be distracted from it.

You like to dress yourself in black clothing and hate layering on clothes.

At home, your magickal items are organized - everything has its own place!

Aquarius

You are a star witch. You are very well attuned with the orbs of the planets and stars and you like planetary magick.

You like looking at the moon and stars.

You are surrounded by people who are attracted to your positive and friendly nature.

You devote your time and energy helping your loved ones.

You might not be the best conversationalist and you come across as withdrawn and detached.

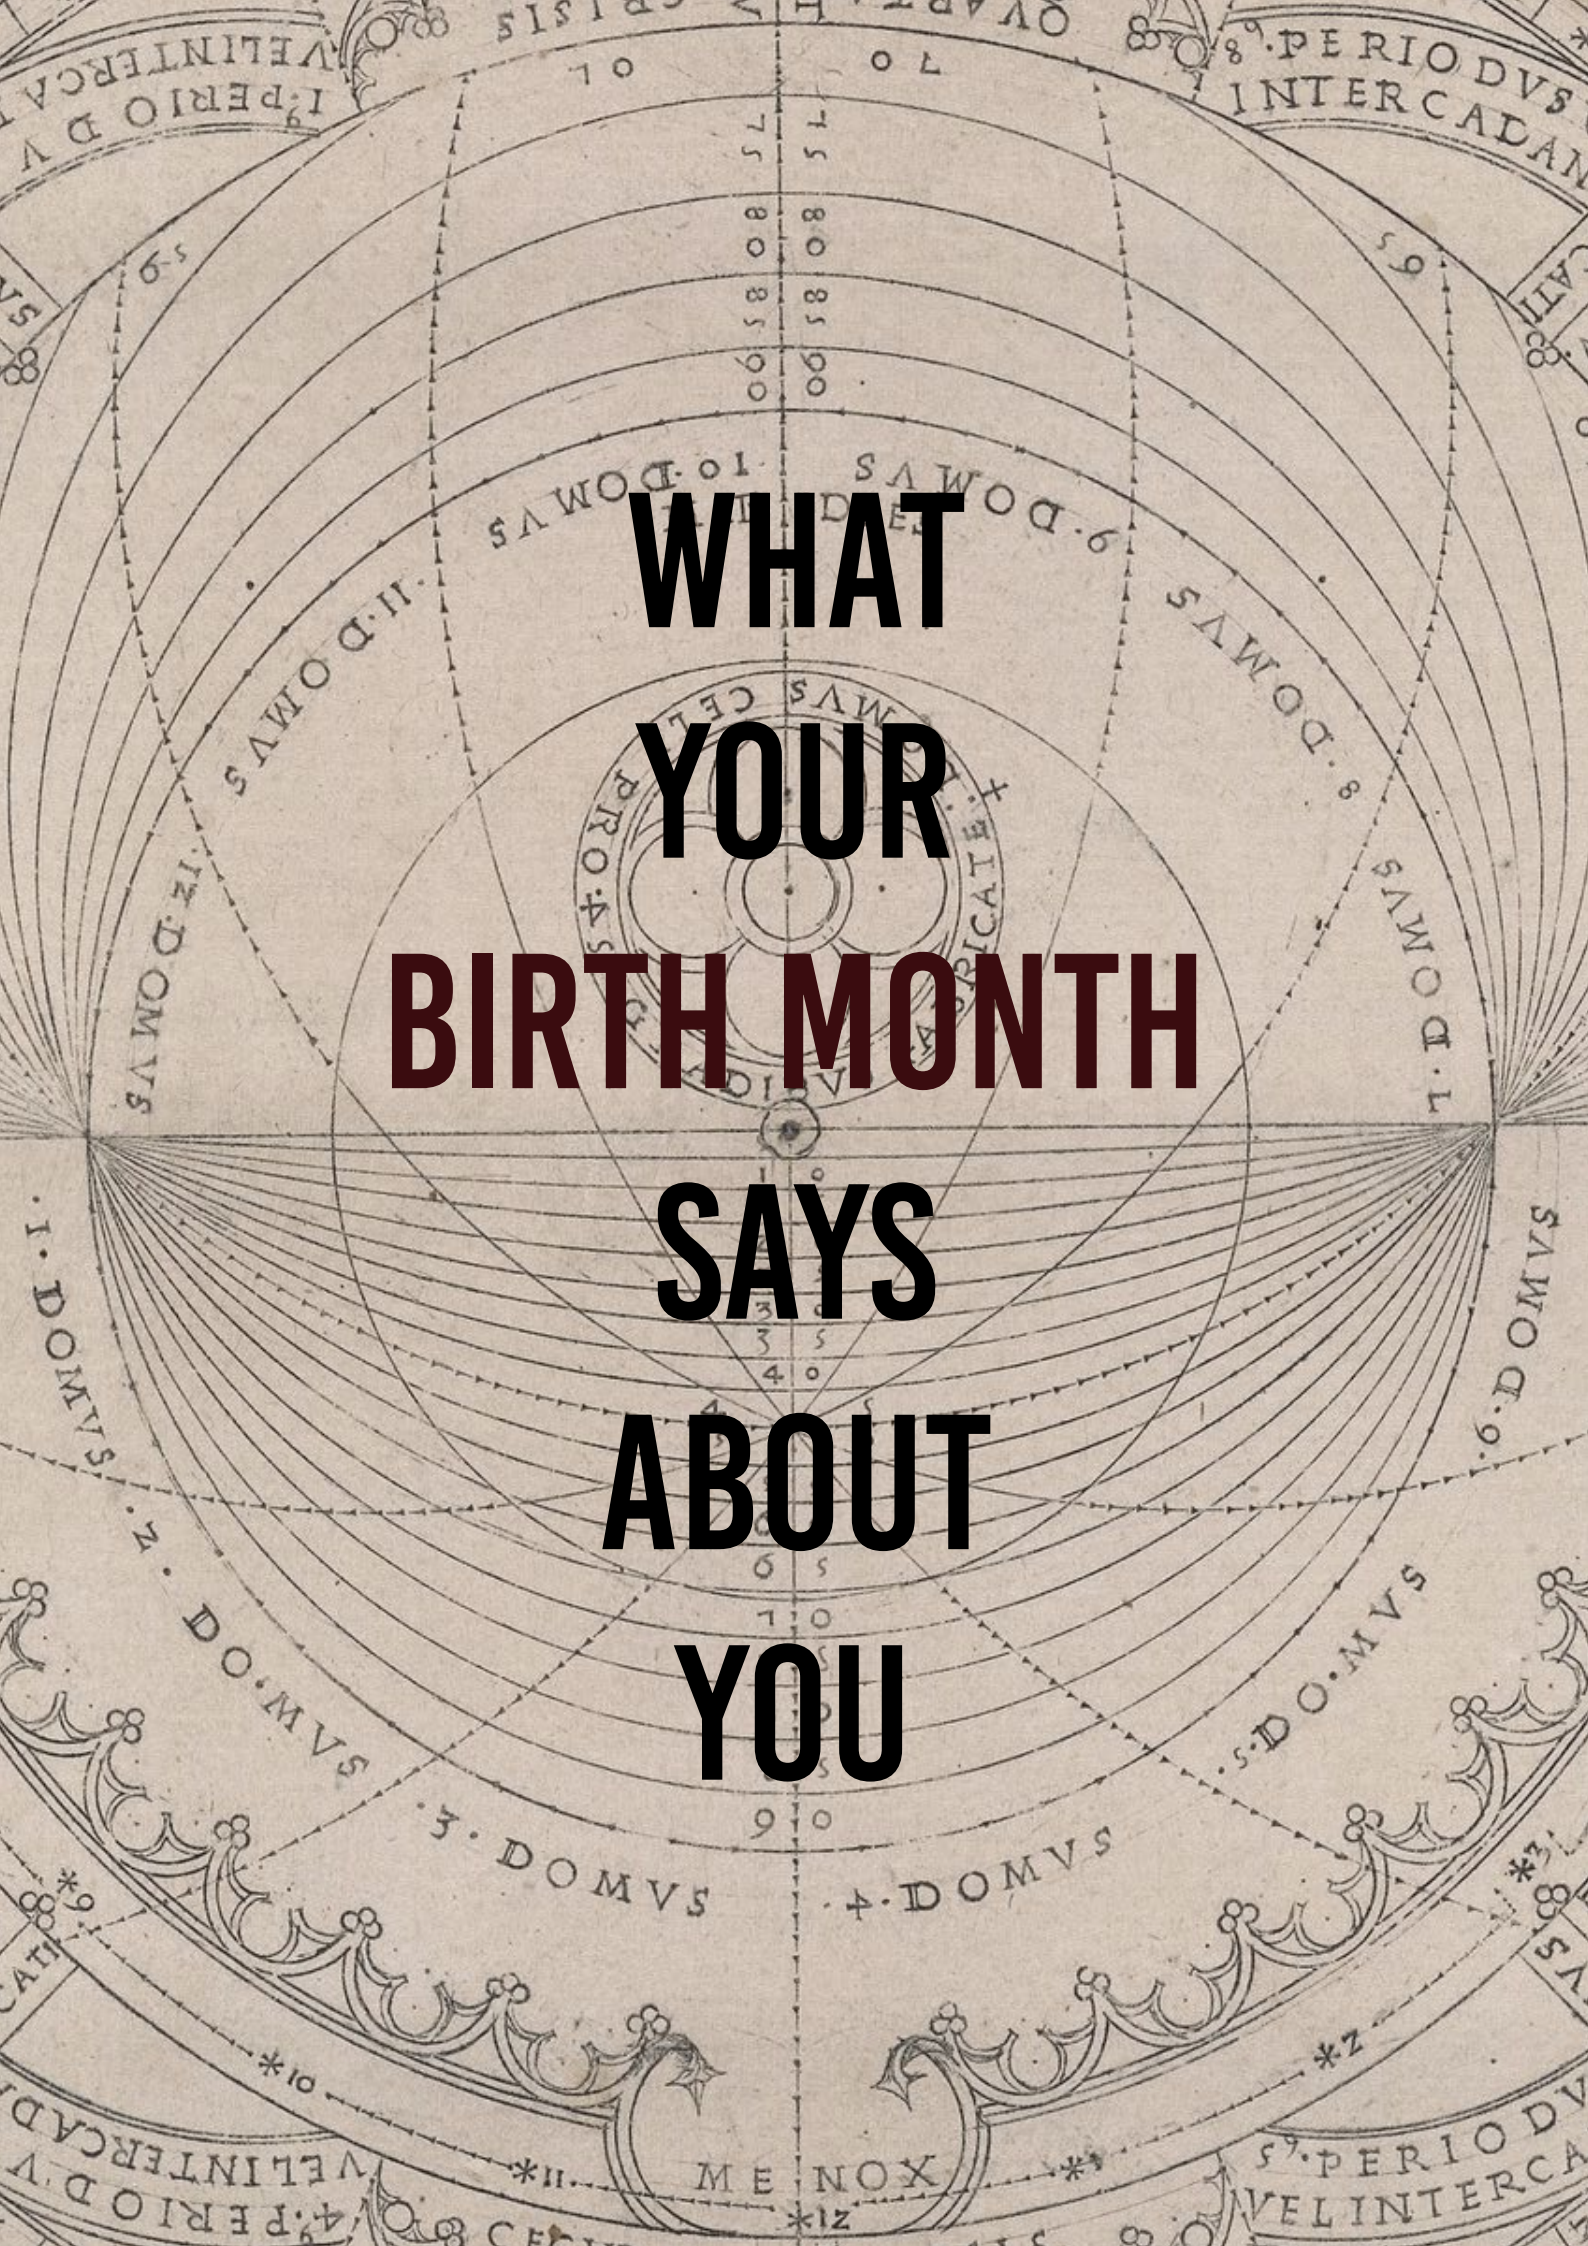

Pisces

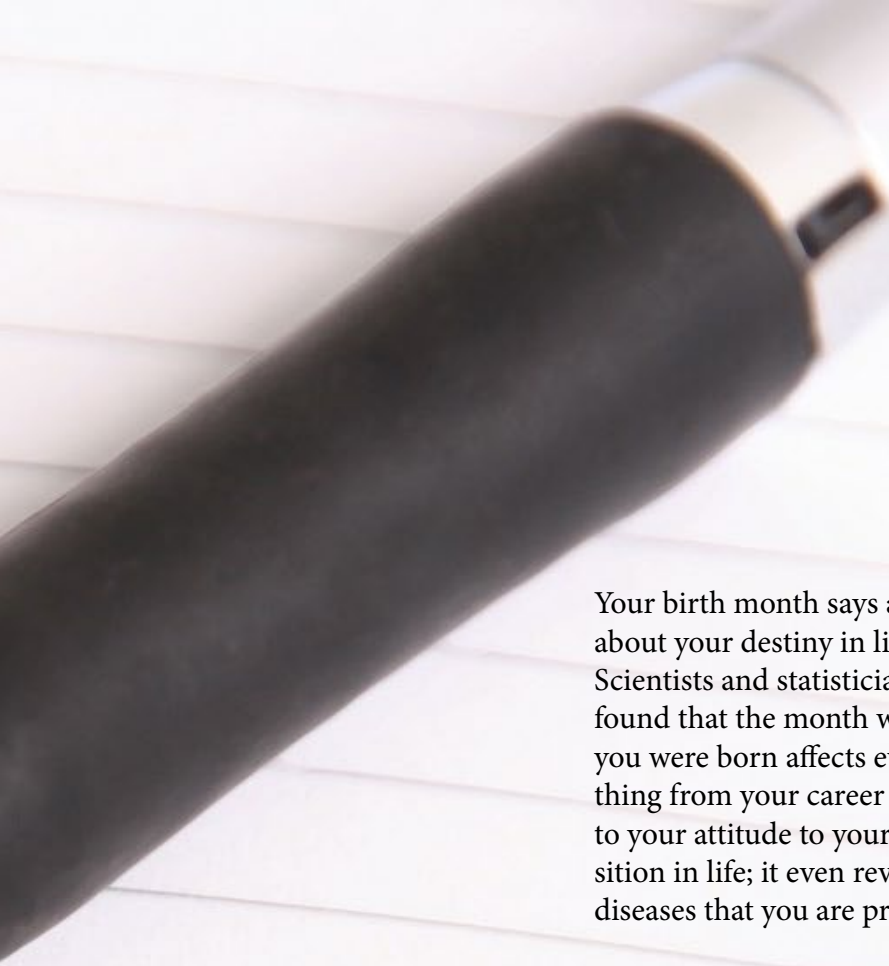

You are a pastel faery witch. You can easily meddle with the Fairy World and transcend the Physical plane. You can also easily invite faeries in your life and establish a firm and fruitful connection with those in the Fae Realm.

You are imaginative and creative and have inner peace. You easily get along with people around you and flourish easily in any environment.

You are probably into writing, home decorating, and expressing yourself in floral fashion.

The background is a detailed historical astronomical chart, likely a lunisolar calendar or a chart of the zodiac. It features a central circular diagram with concentric circles and radial lines. The chart is labeled with Latin text, including "1. PERIODVS INTERCADAN", "2. PERIODVS INTERCADAN", "3. PERIODVS INTERCADAN", "4. PERIODVS INTERCADAN", "5. PERIODVS INTERCADAN", "6. PERIODVS INTERCADAN", "7. PERIODVS INTERCADAN", "8. PERIODVS INTERCADAN", "9. PERIODVS INTERCADAN", and "10. PERIODVS INTERCADAN". There are also labels for "1. DOMVS", "2. DOMVS", "3. DOMVS", "4. DOMVS", "5. DOMVS", "6. DOMVS", "7. DOMVS", "8. DOMVS", "9. DOMVS", and "10. DOMVS". The chart is decorated with intricate scrollwork and floral patterns. The text "ME NOX" is visible at the bottom center. The overall style is that of a 17th or 18th-century scientific or astrological manuscript.

**WHAT
YOUR
BIRTH MONTH
SAYS
ABOUT
YOU**

Your birth month says a lot about your destiny in life. Scientists and statisticians have found that the month when you were born affects everything from your career choice to your attitude to your disposition in life; it even reveals the diseases that you are prone to.

JANUARY

You are an independent and analytical leader. You need to stand out from the crowd and are known to make things happen. People naturally follow you because you are so charismatic. You are loving and loyal and love to teach and be taught. You never look at people's flaws or weaknesses. You are prone to colds. You love children and are very sociable. You budget well. People born in January are statistically more likely to have Alzheimer's, Crohn's Disease and epilepsy.

FEBRUARY

A relationship means all to you and you will spend a lot of your life searching for that special someone. Women tend

to shape and mold your fate. You are most likely to become codependent or depressed if you do not find someone to love. It is difficult for you to be self sufficient. You love abstract thoughts and are temperamental. You rebel when restricted and are daring and stubborn. You can be too sensitive and you get easily hurt. February babies are prone to sleep disorders and will probably not do well in a 9-5 job.

MARCH

Things always fall in place for you. You can make and lose a lot of money quickly. You are quite unfaithful. You are also prone to addiction and vices. You suffer from Peter Pan syndrome, but that's what makes you so lovable. You are very affectionate and naturally honest, generous and sympathetic. You love peace and serenity and are very sensitive to others. You love to serve others. You can also be very vengeful. You love traveling and you love attention. You choose partners hastily. People born in March are more likely to get asthma.

APRIL

You are perceived as stubborn, bossy, and impulsive. Careful with pushing people away by being too bossy. Once you apply yourself, nothing stops you from achieving your goal. You are decisive and hasty and you regret easily. You are diplomatic, consoling, friendly and you love to solve people's problems.

Do	Fr	Sa	Su
2	3	4	5
9	10	11	12
16	17	18	19
23	24	25	26
30	31		

[April, cont'd] You have a good working memory. You motivate yourself and others. You are susceptible to illnesses usually of the head and chest. Babies born in April are most likely to become alcoholics, autistic, and depressed.

MAY

Self expression is important to you and you are a talented musician, actor, or writer. You have a high respect for authority and you believe in the sanctity of marriage. You like being alone and you have an exaggerated need for solitude. You are stubborn, hard-hearted, and easily angered. You attract others and you love attention. You have a firm standpoint and you need no motivation. You are susceptible to illnesses usually in the ear and neck and you have weak breathing. You love literature and the arts, and you love traveling. You don't want many children. People born in May are susceptible to diabetes and glaucoma.

JUNE

You are a very romantic individual and a very jealous and sensitive one. You are a sensual and fantastic lover. Your love life tends to be very complex and it is easy for you to get too hung up on the past. A career in the creative arts suits you best. You are polite and you

to hesitate and put things off. You are choosy and you always want the best. You are easily bored, fussy and stubborn. You seldom show your emotions. June has the highest number of Nobel Prize winners and CEO's.

JULY

You care deeply for your family and will go to great lengths to maintain and protect your relationships with them. You can be cynical and sarcastic and a bit of a loner, which can confuse those who care for you. You are quite eccentric, especially when it comes to the way you dress and your lifestyle habits. You are emotionally temperamental, moody and easily hurt. You dislike nonsensical and illogical things. You brood about the past and you miss your old friends; you have difficulty making new friends. You are prone to having diet problems. Babies born in July have a more optimistic outlook.

AUGUST

You are susceptible to developing health related problems from working too hard. You are too generous and egoistic. You take high pride of oneself and are thirsty for praises. You are easily angered when provoked. You are also jealous. You think on your feet and you have independent thoughts. You love to lead and to be led. You love to dream. You have poor resistance against illnesses. August babies are more

[August, cont'd] likely to struggle in school and are usually labeled as “problem” students by teachers.

SEPTEMBER

You are destined to play many roles in your lifetime. You are intelligent and spiritual, but tend to take adversity very personally. You are susceptible to depression. Avoid listening to your inner critic. A tendency to over analyze situations can also get you into trouble. You are very confident and comfortable in talking to a group. You have good memory and are clever and knowledgeable, and you love to look for information. You must control yourself when criticizing. You tend to bottle up feelings. You are very choosy in relationships. The highest school achievers tend to be born in

September because they're the oldest in their classes. They go to college and pursue a professional career.

OCTOBER

You are naturally very lucky. When you decide on a goal, you almost always meet it. You can be very argumentative when crossed and you are an expert in revenge and deceit. You are always making new friends. You are very opinionated and you do not care of what others think. You are honest, and you do not pretend. People born in October

live the longest. They live an average of 160 days longer than those born in the spring.

NOVEMBER

You have a lot of ideas that are sometimes difficult to fathom. You are forward-thinking, unique and brilliant. You have extraordinary ideas and are very clairvoyant. You can become a good doctor. You are always thinking and are not very talkative. You are brave, generous, and think differently

from others. You do not appreciate praises. You are well-built and tough. You are uncertain in relationships. People born in November are also known pessimists.

DECEMBER

You are a practical philosopher who values a stable lifestyle. You are also unusually lucky and you easily find wealth and love. Your social life is so active that you sometimes ignore your responsibilities. You are loyal, generous, and patriotic. People born in this month are most likely to have asthma or allergies and suffer from bipolar disorder.
