KEEP OUT OF REACH OF CHILDREN

100-600 g

Premier Tech Ltd. / Lic. Premier Tech Home & Garden Inc.
1 avenue Premier, Rivière-du-Loup, QC G5R 6C1
1-800-268-2806

DIRECTIONS FOR USE: Shake well before use. Remove protective cap and insert applicator wand into spray nozzle before using. Wait approximately 30 seconds before spraying to allow formula to settle and for optimal stream.

For Use on Exposed Nests, to Control Wasps, Yellowjackets and Hornets: For use outdoors only to treat nests under eaves, near window frames, doorways, carports, picnic areas and outdoor play areas or anywhere nests are built. Not for use against nests located underground or in voids. Spray nest at sunrise or sunset when insects are least active. Stand a safe distance from the nest (2 to 2.5 m (6-8 ft)). Do not stand directly underneath nest. Shake can well before each use. Hold can upright and spray away from person. Push button to spray. Aim actuator at the opening in the nest and spray until soaked. Then spray the rest of the nest until it is saturated. Saturation of the nest is required for control. After 48 hours, wear gloves to remove the treated nest.

Use Tips: Spray only if there is no wind or breeze. Avoid spraying vegetation directly. Rinse with water any desirable foliage that is contacted with spray. Application to vinyl and aluminum siding (particularly lightly coloured, aged, weathered or otherwise damaged) may result in staining, bleaching or discolouration. Always pre-test a small inconspicuous area to be treated, for colour fastness and staining. Pre-test siding. Evaluate 30 minutes after test application for potential staining. Never apply to vinyl or aluminum siding while exposed to direct sunlight or during the heat of day.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PETS. May irritate the skin. Avoid contact with skin. Wash hands thoroughly with soap and water after use. Do not apply directly to humans, pets or plants. This pesticide is toxic to fish and other aquatic invertebrates. Do not apply directly to water. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50 °C. This product may stain or adversely affect vinyl, painted and plastic surfaces. Avoid application to asphalt roofing shingles as staining may occur. Do not use this product in or on electrical equipment due to possibility of shock hazard.

FIRST AID: If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If in eyes,** hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

ENVIRONMENTAL HAZARDS: Toxic to aquatic organisms. Toxic to bees. Do not spray bees. This product is intended for use on wasps, yellowjackets and hornets only.

STORAGE: Store in a cool, dry place away from heat or open flame, preferably in a locked storage area.

DISPOSAL: When container is empty, press valve to release all remaining pressure. Wrap and discard empty container in household garbage. Do not puncture or incinerate.

For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.
