This month we are excited to have [Melania Deasy](#)! We hope you enjoy getting to know her a bit better in this month's newsletter.

### **1. What motivated you to start making cards and begin stamping?**

It started in 2011, I saw handmade cards on the internet and I'm very interested in making it. I tried to make one and it got me addicted until now :)

### **2. You are awesome at ink blending on your cards. How do you find great color combinations?**

I'm inspired by the ink pad colors that I have and sometimes I see color combination on Pinterest or Instagram.

### **3. Please share advice on finding inspiration/developing creativity in making cards/crafting projects.**

I like to make sketches before I make cards. I see the products, imagine things related to it, try to find something unique, sometimes I combine it with another products and begin to sketch. After I had my sketches, I felt I already have the construction and the process will follow to make it more real.

**4. Do you have a specific style that you are comfortable with or like to stick to?**

Layered CAS with fun and soft colors

**5. Can you share a favorite card you made previously using Altenew products?**

Sure! You can check out one of my favorite cards [here](#).

**6. We noticed that you love coloring stamped images - do you have a favorite coloring medium and why?**

I love using Copic, because it's so easy to use and I can do quick coloring :)
