

Doodle Bouquet Stamp & Stencil Set

LAYERING GUIDE

Designer's Tips:

Add more depth to the design by using a gradient of colors for each layer. Try using small blending brushes to add a bit more detail to the coloring.

*50% actual size

Doodle Bouquet Stamp & Stencil Set

LAYERING GUIDE

Designer's Tips:

If you want a more modern and quirky result slightly offset some of the layers to leave a thin white edge inside the design. This will give the impression of highlights and make the design even more interesting.
