Cut the Cake Stamp Set
LAYERING GUIDE

Inks:

- Pink Diamond
- Pinkalicious
- Rubellite
- Morning Frost
- Limestone

Assembled Inspiration

Designer's Tips:

Rainbow cakes are popular in the baking world, and now you can replicate the look on your paper crafts! Stamp each layer in a different color (along with its shadow in a slightly darker tone), and add on rainbow sprinkles!

To make the sprinkles look more realistic, you can heat emboss them in candy colors!
