

AL TENEW

CRISP DYE INKS

Color Swatches

Our fast-drying dye inks will give you uniform coverage and a crisp impression every single time. They are excellent for water-based techniques and perfectly complement our clear photopolymer stamps.

WATER-BASED | SMOOTH COVERAGE | VIBRANT IMPRESSION

Use & Care

- Try to keep your ink pads and ink refills in a cool, dry place and out of direct sunlight, as this may change the intended color.
- Always replace the lid after stamping to keep the ink from drying out.
- Reinkers are readily available for many inks. These can be used to re-ink a dry ink pad, and so, greatly lengthen the ink pad's life.
- Altenew inks are less likely to dry if stored properly.

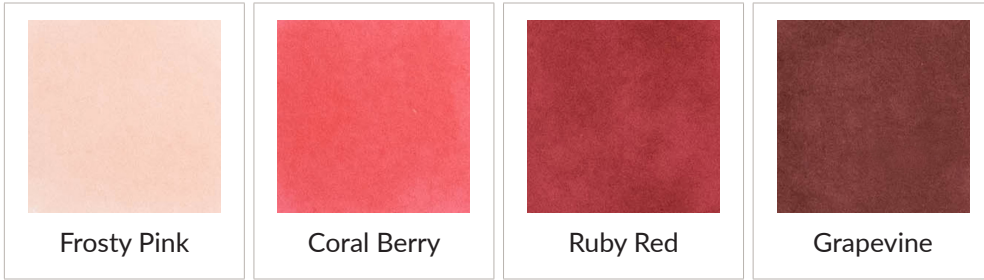

Printing Instructions

- 8.5" x 11" paper (use your favorite white cardstock)
- Printer settings: landscape, borderless printing
