MIXED MEDIA INKS

Color Swatches

Our mixed media ink can be used on a variety of porous surfaces such as paper, fabric, wood, and more! It becomes permanent once heat-set with a heat gun or iron (on fabric, add an additional cloth layer between the iron and your project). Acid-free and archival.

WATER-BASED | DETAILED IMPRESSION | PIGMENT INK

Use & Care

- Try to keep your ink pads and ink refills in a cool, dry place and out of direct sunlight, as this may change the intended color.
- Always replace the lid after stamping to keep the ink from drying out.
- Reinkers are readily available for many inks. These can be used to re-ink a dry ink pad, and so, greatly lengthen the ink pad's life.
- Altenew inks are less likely to dry if stored properly.

Printing Instructions

- 8.5" x 11" paper (use your favorite white cardstock)
- Printer settings: landscape, borderless printing

Contents

- Grid Colored Swatches
- Grid Blank Swatches
- 2" x 2" Blank Swatches
- Product Checklist
