

ARTISTS' GOUACHE SET

Strolling Through New York Color Swatches

This rich and vibrant set of **12 gouache paints** will bring out your true artist! The colors have been carefully chosen for their versatility in painting a variety of subject matter, and they perfectly coordinate with our signature Altenew color families. For even more versatility, you can also easily mix the various pigments to create a custom palette.

Their consistency is smooth, creamy, and a dream to work with. When dry, the resulting finish is both matte and opaque, making it a lovely alternative to other water-soluble media. Artists, calligraphers, and paper crafters will love how this set of gouache brings their creativity to life!
