

## NATURAL RED TEA ANTI-OXIDANT SERUM

### WHAT DO YOU UNDERSTAND BY ANTI OXIDATION?

For that you first need to know that what oxidation is. Oxidation is when sebum appears on the surface of the skin and it further clogs the skin pores. This often leads to premature ageing, appearance of blackheads, and so on!!

**And what is an antioxidant?** Antioxidant is that chemical which prevents or repairs damage that has been done to the body owing to oxidation.

### HOW DOES THE PRODUCT WORK?

Savarnas Mantra Natural Red Tea Anti oxidant Serum has combined the benefits of Red Tea Extract and Hyaluronic Acid to provide you with the best Anti oxidant Serum that is made out of natural ingredients. Red Tea Extract is an important ingredient that is derived from the Rooibos or the Red Bush plant. This plant is exclusively grown in a small mountainous region of South Africa. Traditionally the plant is consumed as a tea; however its topical benefits in cosmetic applications are also extensive.

### WHAT ARE THE BENEFITS OF RED TEA?

Scientific studies have further revealed that Red Tea contains many anti-oxidant properties that are included in the enzyme Super Oxide Dismutase. Therefore, the antioxidant works in a very helpful manner. It drastically inhibits the oxidization of skin cells, which in turn, prevents free radicals from

overwhelming the cells. By reducing the production of free radicals, the cells longevity is increased. This helps slow down the onset of aging and improves the aesthetic results.

Red tea is well known for its anti-inflammatory and mineral rich qualities. It also contains the flavonol Quercetin. Quercetin is known to increase the capillary strength which contributes towards a tighter and more youthful complexion. It has been researched time and again that red tea has twice the antioxidant benefits than green tea. Red tea also has the benefit to reduce bacteria and inflammation, thereby making it a great treatment for acne. Rooibos contains a few minerals such as calcium, copper, iron, magnesium, manganese, potassium, and zinc. These are the minerals inevitable for human immune system.

## SOME MORE ACTIVE NATURAL INGREDIENTS

Savarnas Mantra Natural Red Tea Anti oxidant Serum could never be said to be complete without the incredible addition of Hyaluronic Acid. It is a naturally occurring substance in the body and provides its astounding benefits to the skin. Hyaluronic Acid serves as an excellent hydrator. With its strong affinity to moisture and compatibility with the skin, you couldn't ask for a more agreeable component.
