

All purpose disinfecting, deodorizing and cleaning wipes

QT-San

BIOSAN WIPES

DESCRIPTION

BioSan Wipes are designed specifically as a general non-acid cleaner and disinfectant for use in hospitals, nursing homes, schools, hotels and restaurants as well as for use in industrial and institutional food processing establishments. It is formulated to disinfect hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets.

For disinfection, deodorizing and cleaning allow a surface to remain wet for 10 minutes. No scrubbing is necessary. The product will not leave grit or soap scum.

Exhibits effective tuberculoidal, bactericidal, fungicidal activity, well as virucidal against HIV-1 - *see the chart on the right.*

Bacteria/Virus
Escherichia coli
Escherichia coli O157:H7
HIV Type 1
