

## Technical Data Sheet | BB2T

### Overflow Tray | For IBC Spill Pallet BB2

This overflow/decanting tray for IBC Spill Pallet BB2 has a 86ltr sump to prevent leaks and drips from reaching the floor or entering drains. Once full liquid from the overflow tray runs into the main sump for additional safety.

#### Product Specifications

External Dimensions (WxDxH)	520x 530 x 520mm
Unit Weight	5kg
Sump	86ltr
Colour	Yellow or blue
Stacking Height	2100mm

#### Product Features

For use with Spill Pallet BB2

Durable, hardwearing and robust

The tray simply "clips" onto the BB2

Designed in such a way that if it fills completely it will flow back into the main sump

It allows the user to decant from the IBC without the worry of accidental spills spreading unchecked across the floor

Backed by our 3 year guarantee

Colour and socket configurations will be reflected in product code
