

## Technical Data Sheet | EB1M

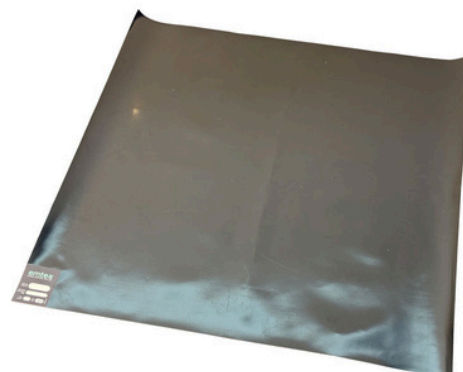

### Multi Function PVC Containment Bund Base Mat | For EB1

Base mat for use with multi-function PVC containment bund EB1.

Our base mat provides extra protection to the bund on rough or sharp ground.

### Product Specifications

External Dimensions (WxL)	1500 x 1500mm
Unit Weight	Approx. 1.2kg
Material	PVC with a protective proofing layer (PES/PVC)
Material Weight	900 g/m2

### Product Features and Benefits

- Shields the bund from sharp and uneven ground, minimising wear and damage.
- Made from PES/PVC material for temporary enhanced resilience and performance against some substances.
- Provides a stable base, improving safety and containment during operations.
