

## Overpack (UN rated 1H2/X57/S) - R1652

### PRODUCT OVERVIEW

Backed by our 3 year guarantee

A 75.7ltr (20 US gal) UN "X" rated overpack manufactured in yellow blow-moulded, high density polyethylene (HDPE) with UV inhibitors, which makes it lightweight but durable and weather and chemical resistant. Complete with a white lid and lever-lock closure band this model is ideal for:

- The safe storage, handling and transportation of hazardous materials
- Spill containment
- The clean-up of hazardous materials
- As an original shipping container
- Bio-waste disposal and incineration
- Holding small non-damaged bottles, cans, carboys etc. of non-leaking hazardous materials.

If the contents are leaking you must use absorbent material to pack and absorb the leak - **NO FREE LIQUIDS**. You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

 100% polyethylene for chemical compatibility

 UV Stabilised
