

PRODUCT OVERVIEW

Rotationally moulded from polyethylene, this highly visible, maintenance free column protector is an extremely effective way to protect your buildings and goods from forklift truck damage.

NOTE: This product is not designed for use with cast iron columns

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

Cleaning instructions: Clean with either soap and water, or a general purpose spray bottle cleanser once or twice a month depending on the environment they are located in.

100% polyethylene for chemical compatability

UV Stabilised

Maintenance recommendation: Units to be checked once a month for any impact damage caused by a forklift.

Backed by our 3 year guarantee.
