

## GET A SMART GARAGE.

No matter what type of garage door opener you have, there's a MyQ® Accessory that enables smartphone control, and in some cases, HomeKit™ compatibility.

## SMART PARTNERS.

We teamed up with multiple leading brands to make controlling your home even more convenient. Link your MyQ account to these partners in the Menu > Account > Account Linking section in the MyQ app.

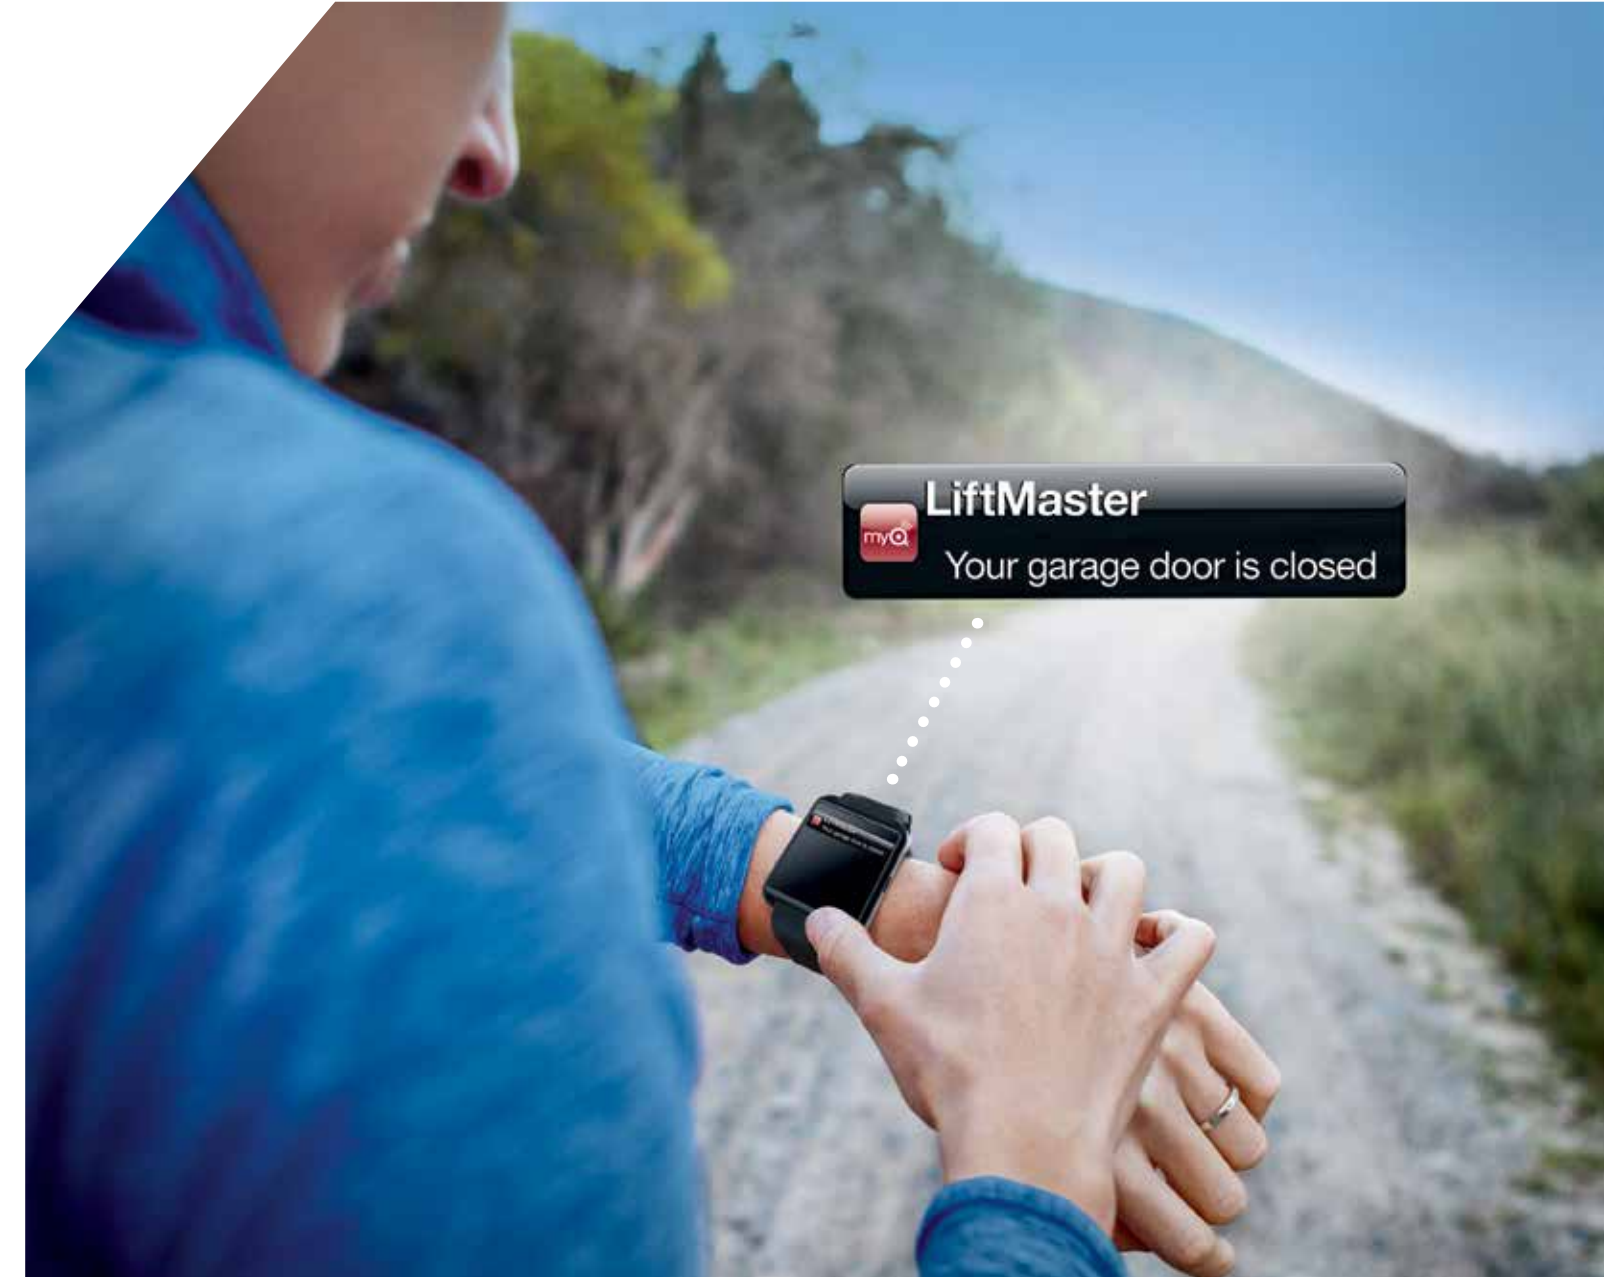

Control your **Nest Learning Thermostat™** and view your home with the **Nest Cam™**, all from the MyQ® App.

Monitor and control your garage door from **Xfinity®** and **Alarm.com®** apps.

Using the **Google Assistant**, ask MyQ to close your garage door or check its status.

## RIGHT ON Q.

With MyQ® Technology, your home runs on your schedule. So everyone can keep moving forward.

**ORDER TODAY.** For a full list of partners visit [liftmaster.com/about-liftmaster/partnerships](http://liftmaster.com/about-liftmaster/partnerships)
