Renegade Book Club is a book club with bias for Lagos & Hip-Hop culture and history. It is affiliated with Rap Joint Lagos: a contemporary cultural centre in Ikoyi, Lagos.

## GUIDELINES

1. Renegade is a small book club with no more than 10 members to encourage intimate discussion. The book reading list will be made available.
2. Upon joining, members would be told about meetings time and place.
3. If you no longer want to be part of the book club, please let us know so we can open the space up to others on the waiting list. Non- attendance of 3 consecutive meetings will be seen as a withdrawal from the book club.
