THAT TRAINER FEELING

Each sandal incorporates a blend of our comfort cushioning foams. So you can enjoy that cloud soft 'trainer feeling' underfoot.

Every pair is put through its paces before we give it the seal of approval. It's a process that takes many rounds of sampling to ensure our shoes are the most comfortable they can be.

THE SANDAL GUIDE

CITY SANDAL

Effortlessly elevate your style with our most-loved Gala sandals. With incredibly soft leather, adjustable buckles and our cushioned comfort footbed

STRAPPY SANDAL

Flexible and lightweight. With a comfortable, adjustable strap that sits low on the ankle for a flattering fit, and always with our bouncy, cushioned sole.

SLIP ON SANDAL

Simply slip on and go. With pillowy underfoot cushioning and adjustable buckles for your perfect fit. You won't want to take them off.

LOAFERS & BALLERINAS

Crafted in butter soft leathers, with layers of our memory and recovery foams hidden inside. Our Harper loafers feel just like slippers.

For a classic ballerina, choose Giselle. Designed with a special hidden wedge to cushion and shock absorb, minimising the impact of heel strike.

For a little lift, choose Misty, our block heel ballerina. With a full layer of our foam to cushion from heel to toe.

SERIOUSLY COMFORTABLE HEELS

— THE COMFORT

Layers of our comfort **cushioning** and a **flexible** sole for that **cloud soft** feeling underfoot.

THE HEEL -

The **6cm flared** block heel Is designed to **evenly spread** weight for **optimum comfort** and stability.

→ THE STRAPS

Soft **tubular straps** across the foot means **no digging** into your toes whilst you dance the night away.

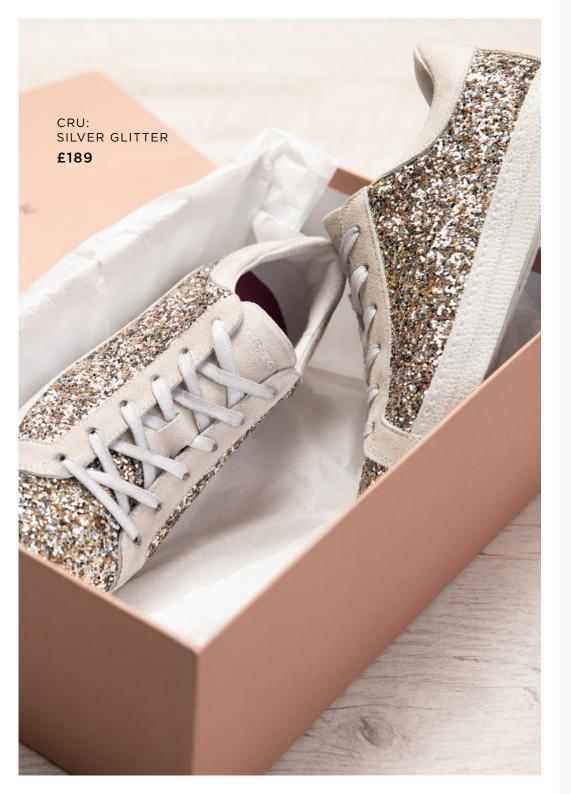

Fits **true to size**. If you're inbetween, size up. Standard width fitting.

"THESE are comfortable and stylish and have brought a whole new dimension to my going out wardrobe. I am over the moon with them!"
