FLEXMEE TECH

DESIGNED IN MIAMI
MADE IN COLOMBIA

ABOUT US

We are an activewear brand based in Miami, FL and made in Colombia. With more than 40 years of manufacturing experience, this family business has been making numerous dream brands a reality exceeding our clients expectations following the utmost quality standards.

Now our house brand FLEXMEE is born, making our own dream a reality using leading innovation techniques always with the women's needs in mind. Flexmee creates smart and beautiful fabrics with superior strech capabilities that adhere naturally to the body in full motion.

Every piece is made by women for women with dedication and care! We hope you enjoy wearing our designs as much as we enjoyed creating them. Welcome to the next level of performance and style.
