

PLEASE READ THIS MANUAL BEFORE OPERATING

ICON AND FUNCTION EXPLANATION

Function Instructions:

- 1. Power and function button: Press this button for 2 seconds to turn on/off.
- 2. Short press this button to pause
- 3. Double press to re-call the phone (TWS function when not connected with Bluetooth)

Remarks:

1. The default Bluetooth mode is paired with an automatic code matching function. For example: If your device A has paired with this speaker via Bluetooth before then it would automatically pair back next time, and directly play the music.

Attention:

- 1. Before using Bluetooth, you need to long press the power button to match. Turn Bluetooth on and enter the pairing state. Fast red and blue flashing lights will indicate the Bluetooth pairing. If using mobile phones: in the mobile phone interface to find a Bluetooth interface, open Bluetooth, search Bluetooth, search will show Bluetooth, select the Bluetooth connection, the indicator light will turn off after successfully paired, then return to menu interface. You can use the Bluetooth device to play music or make phone calls.
- 2. Suitable for all kinds of mobile phones with a Bluetooth function, a Bluetooth adapter, or a Bluetooth player, etc. Mobile phones such as iPhone, Samsung, HTC,
- 3. When using USB 5V or DC-5V to charge, the red indicator light will turn on and turn off when fully charged.

Components:

- 1. This Bluetooth speaker is a combination of classic and fashionable design and produces high quality sound.
- 2. It can be connected with any cellphone with high tech Bluetooth wireless technology. You can enjoy music anytime, anywhere.
- 3. Apart from the player, it also has a hands free phone function.
- 4. New micro vibration film produces a clear high pitch and vigorous bass together with a unique design and an outstanding quality.
- **5.** The new concept of integration of convenient Bluetooth speakers will allow you to connect your mobile phone and smart devices.
- 6. Comprises of a variety of power supply sources such as Lithium battery, USB adapter DC-5V, so you can listen to the charm of digital entertainment anywhere.
